WAR BOND QUIZ

- Q. How many coowners of a Bond can there be?
A. War Bonds may be issued in the names of only two individuals as coowners, and the registration must be in the alternative, such as "John X. Smith or Mrs. Mary Smith," without any qualifying words or phrases.
- Q. If a person who already holds War Savings Bonds up to the limit for the current year should inherit additional Bonds, could they be registered in his name?
A. Yes.
- Q. How can I be sure that I can get my money back if I buy a War Savings Bond?
A. The full faith and credit of the United States Government are pledged for payment of both principal and interest. Your Bond is just as sound as the Government itself.
- Q. If the owner of a War Savings Bond dies, how is collection made?
A. In the absence of a co-owner or beneficiary in the registration, the bond will form a part of the registered owner's estate, and will be paid to persons entitled to share in the estate under local laws as provided in the regulations.

Remember—the longer you keep War Bonds, up to 10 years, the more valuable they become.

Uncle Sam wants more milk for Defense. To answer the call yet make more money for yourself feed your baby calves Security Calf Food instead of whole milk. Sell your milk instead.
