### WAR BOND QUIZ

Q. May I have a Bond reissued so as to include the name of a coowner?  
A. Yes; if the Bond is registered in your name alone, and if an excess holding does not result. The reissued Bond will bear the same issue date as the original Bond.

Q. May a creditor obtain information as to a debtor's ownership of War Savings Bonds?  
A. The Treasury gives no information about the holdings of any person in War Savings except to that person or to such persons as have clearly established a legal right to the information.

Q. What will the Government do with money I pay for my Bond?  
A. Your money will be put to work at once to help the Nation's war program.

Q. When will I make my income-tax report on the increase in the value of a War Savings Bond?  
A. You may do either. You may report the increase in value of a War Savings Bond on your income tax report each year that you hold the Bond, or, you may wait until you redeem the Bond and then include the increase (the amount received over and above the price you paid for the Bond) as income for that taxable year.

Remember—the longer you keep War Bonds, the more valuable they become.
