Rev. H. V. McGee, Pastor

Counterfeit Justice—"The greatest monstrosity in the annals of legal history."

Thus has the trial of Jesus been termed by an eminent scholar. It shall be the purpose of the pastor to present a fair review of this legal procedure. A review of Roman history will be given that has a bearing upon this trial: laws in force in the Jewish Sanhedrin that were set aside without a qualm of conscience, to secure the conviction of Jesus, will be considered.

Worship with us at the Hermiston Baptist church Sunday and increase your knowledge of God's Holy Word as it is related to world events.
