### COLUMBIA NEWS

By Mrs. Bob Woodward

Mr. and Mrs. Marvin Hutchison and daughter of Pilot Rock were here on business last Saturday and to visit the Baxter Hutchisons and Mr. and Mrs. L. W. Douglas.

Mr. and Mrs. W. A. Mikesell were in Pendleton last Saturday accompanied by Mrs. Baxter Hutchison, who visited her cousin, Mrs. Cora Boyd, who is very ill at St. Anthony's hospital.

It is reported that the E. C. Hughes property has recently been sold to Dan Massingale of Hermiston. Mr. and Mrs. Hughes plan to make their home at Echo.

Mr. and Mrs. Carl Hammer sold their property in this district last week to Mr. and Mrs. Jack Matthews, formerly of LeGrande, who took possession on Wednesday. Mr. and Mrs. Matthews are both employed at the U. O. D. At the present time the Carl Hammer family is staying at the Lester Hammer home, and their plans for the future are still indefinite.

Mrs. Myrnie Caldwell and Mrs. Glenn Parsons accompanied Mr. and Mrs. Kenneth Beebe and Miss Agnes Caldwell of Irrigon to Eugene on Friday last week to attend the funeral of their grandmother, Mrs. Belle Caldwell. They returned home Monday evening.

Mrs. George Liebe enjoyed a long distance call Sunday evening from her brother Alfred Mittlestadt, who is stationed at Camp Beal in California. Walter Liebe, son of Mr. and Mrs. George Liebe, is now stationed at Camp McCall, North Carolina. He is training in a glider infantry.

#### Donald DeMoss To Come Home

Mr. and Mrs. J. H. DeMoss of the Columbia district have received word from Navy headquarters that their son, Don DeMoss, has been dismissed from duties with the Navy effective March 15. It is believed that this is the first case where a local boy has been released from duty to return to the farm under a new law recently passed by Congress.

ELIZA ISABELLE CALDWELL, Mrs. Eliza Isabelle Caldwell, age 87, passed away early last Thursday morning, April 1, at the home of her daughter, Mrs. Walter Campbell at Eugene.

She was born February 22, 1857, at Gentryville, Missouri, the daughter of Andrew and Elizabeth Queener. She came by covered wagon train across the plains in 1866 at the age of nine years. The family settled at Scio, Oregon, where in 1875 she was married to Charles W. Caldwell. They made their home in the Palouse country of eastern Washington until 1904 at which time they moved to Irrigon. Since Mr. Caldwell's death in 1925, she had made her home with her eldest son Fred who preceded her in death last November, after which she went to Eugene to stay with a daughter.

She was a member of the Seventh Day Adventist church and Women of Woodcraft. She is survived by three daughters and five sons: Mrs. Lulu Campbell and Mrs. Jessie Smith, both of Eugene; Mrs. Pearl Potts, Umatilla; George, Astoria; Walter, The Dalles; Clyde, Umatilla; Carl, Tacoma, Wn.; and Earl, Pasadena, Cal. Also by 27 grandchildren and 25 great grandchildren.

Funeral services were held at Eugene with interment in a family plot in the Oddfellows cemetery there.

#### Nifty Needlers Meet

The Nifty Needlers 4-H sewing club met at the home of Mrs. R. G. Attebury last Wednesday. All the members were present and reports of the progress were given. Everyone has started the initial project while

### 4-H PIG CLUB HAS MEETING

The Rotary club of Hermiston gave an excellent boar to the 4-H pig club some time ago which has been greatly appreciated. Plans were made concerning use of the boar, which will be kept at the David Dufur farm.

The next meeting will be held at the Dufur home on April 13 when each member will give an accurate report on the breeds of hogs assigned to them. Anyone interested is invited to attend the meeting.

A put up job for grapefruit

With fruits and juices rationed, it's going to be a put up job for grapefruit to be Home Canning Success Number One. Right now is the time to seal away the delicate flavor of this fruit while it is cheap and good. Why don't you try canning your grapefruit today, following the simple complete directions given below.

**CANNED GRAPEFRUIT SEGMENTS**  
12 large firm grapefruit, 1 1/2 cups sugar weighing about 11 lbs. 1 1/2 cups water

- a. Peel grapefruit with large sharp knife, cutting deep enough to remove the thin skin which separates the fruit flesh from the rind.
- b. Section grapefruit over large bowl, to retrieve juice, by cutting carefully between dividing membranes and fruit segments. Lift out sections separately. Squeeze out as much juice as possible from remaining membranes, saving to add to segments in jars.
- c. Pack grapefruit segments into hot sterilized jars to within about 1 inch of top.
- d. Combine sugar and water in 1-qt. saucepan and bring to a boil, stirring until sugar is dissolved.
- e. Add about 1/4 cup of the syrup and 1/4 cup of the grapefruit juice to each pint jar of fruit, so that liquid fills jar.
- f. Seal jars and process in boiling water bath 10 minutes. For water bath: Fill container with water deep enough to cover tops of jars by 1 to 2 inches. Heat almost to boiling. Carefully lower hot and partially sealed jars into the hot water, placing them so that they do not touch each other. Cover container, heat to boiling and keep boiling vigorously for 10 minutes, counting time from minute when water begins to boil vigorously.
- Notes: When canning in altitude, increase processing time 10% for each 500 feet over 1,000 feet elevation for water bath canning. For half pints and pint jars, increase time only 5%.
- g. Remove from water bath, and place hot jars on folded cloth or paper, out of draft, to cool. Store when cold. Makes about 5 pints. Note: For un-sweetened segments, instead of making and adding syrup in steps d and e, add fruit juice to fill jar.
