Easter Food Guide

Bright beginnings for Easter Morn

Why not serve a hearty, yet delightfully festive breakfast with all of the accompanying specialties that make Easter a warm welcome to spring. Food and decorations seem to just naturally lend themselves to such an occasion, and even with rationings and restrictions, it's possible to plan a simple family or party brunch such as we have given below.

- FOR AN EASTER BRUNCH**
*Easter Sunshine Egg Nests with Bacon, Sausage or Ham (if available) Jelly or Jam
Hot Cross Buns Festive Compote (Mixed canned or fresh fruits served in sherbet glasses dessert fashion.) with a basket of Bunny Cookies
Milk Tea Coffee

To Make Easter Sunshine Egg Nests
Trim crusts off a day-old 1 1/2-pound pullman or large loaf of enriched white or wheat bread. Cut into 6 slices about 2 inches thick. With a sharp knife, hollow out the center of each block of bread, leaving a 1/2-inch wall on the sides and bottom. Dot inside of the cases with softened butter. Drop 1 or 2 eggs into each case. Season with salt and pepper and dot top with butter. Bake immediately on a cookie sheet or drip pan in a moderate oven (350° F.) 25 minutes or until eggs are set and cases browned. Serve hot on heated dishes. Serves 6.

For Table Decorations
Made-to-order decorations for Easter morning may be real blossoms if you are fortunate enough to have them, or a transplanted bare twig decorated with pastel crepe paper blossoms. Use a small twig with a blossom attached on white cards for place markers.

CRUMB-SCRAMBLED EGGS— Combine 1 cup bread crumbs with 1/2 cup of milk and allow to stand for 5 minutes. Mix well with 4 beaten eggs, season and scramble. And try baking this same egg-crumb mixture in tomato cups. It's a delightful way to make 4 eggs take care of 6 appetites.
