WAR BOND QUIZ

Q. Does an album filled with Stamps automatically become a Bond that will mature in 10 years?

A. No. It must be exchanged for a Bond, and it will bear no interest until it is so exchanged.

Q. Can payment of a War Savings Bond be made to the receiver or trustee in bankruptcy of the estate of a registered owner?

A. Yes, when bankruptcy or insolvency has been adjudicated and request for payment has been duly executed.

Q. Can I authorize my employer to set aside portions of my salary each pay day until enough is accumulated to buy a War Savings Bond?

A. Yes, if your employer has installed a Pay-Roll Savings Plan. More than 24 million wage and salary earners are saving their money this way.

Q. Can I invest a lump sum in War Bonds and receive from the investment a return in the nature of an annuity?

A. No. The purchase of each War Savings Bond is a separate transaction. Each Bond is dated as of the first of the month in which payment for it is received by an authorized issuing agent, and matures exactly 10 years from that date.
