Its 48 pages of helpful hints are written especially for Western conditions. Standard's Victory Garden Guide is FREE wherever Standard products are sold. Get your copy now!

Go light on heavy oil!

Here's a tip to those who think that it's better to use a heavier weight oil than the manufacturer of their car recommends: It never was a good idea and now that driving is slower and engines are colder, it's actually a dangerous practice. Ask your Standard Service Man for the weight of RPM Motor Oil recommended by your car's manufacturer.
