# Memorial Day

will be celebrated this year on Monday

Celebrate in Hermiston with friends. You can always find them at Sammy and Johnny's place.

POPPY DAYS—when we all say, "Lest we forget"—Friday and Saturday, May 28 and 29, when the Buddies of the "war to end wars" remind us that this is still our purpose—an ideal of the American people. Even though their hope has been shattered by another war, they live on—hoping that a new generation of soldiers may accomplish that for which they also fought in that first world war.
