OUTDOOR PARTY HELD AT U. S. O.

The summer season was really initiated at the U. S. O. club Tuesday night with an outdoor party and dancing for Junior Hostesses and soldiers. The park was filled with enthusiastic volleyball and badminton players and many demonstrated skill with horseshoes. Even the swings and slide were used by those in the carefree mood of childhood days.

About 9:00 o'clock the crowd of over 70 gathered around the open fire place and refreshed themselves with coffee and toasted buns, and jovial conversation.

A combined committee of girls and men planned the party and was responsible for its success. Girls serving on the committee were Jane Jackson, Joan Hendrickson, Barbara Moore and Doris Rodenbaugh. Soldiers assisting were Joe Masopust from the Bronx, N. Y., Roger Rzpinski of Brooklyn, N. Y., and Homer Dean Withey of San Francisco, Cal.

YOUTHS LEAVE FOR U. S. NAVY

Kenneth Elwood, son of Mr. and Mrs. Lee Elwood, and Lynn Pieper, son of Mr. and Mrs. Pieper, left Tuesday for La Grande where they reported for service with the U. S. Navy. Kenneth has enlisted with the Navy Reserves while Lynn will be with the regular navy.

Kenneth is a graduate of Hermiston high school with the class of '43, being student body president for the last two terms.

REV. BALLINGER AT CAMP SHELBY

Rev. M. B. Ballinger, former pastor of the Hermiston Methodist church, is now at Cambridge, Mass., where he is attending a Chaplain School for the United States Army. In a letter to The Herald he states that he greatly enjoys living in and near Boston where he formerly attended school. He may be transferred to Camp Shelby soon.

Sunday, June 27, he preached at the First Methodist church in Boston, where he at one time served as assistant pastor and was a member of the choir. He has met many acquaintances and is enjoying the scenic and historic points of interest.

OREGONIAN MAN IS TRANSFERRED

Bill Schinderling, who has been the Oregonian agent here for the past several years, leaves soon for Pasco, Wash., where he has accepted the position as branch manager for the Portland Oregonian for the district of Pasco, Kennewick, Hanford and Richland. The new job has worlds of possibilities due to the new activities now underway there.

Mrs. Schinderling will remain here for the present and will be in charge of the Hermiston route until they can obtain living quarters in Washington.

STOVE AND FUEL DEALERS MEET

A meeting of stove and fuel dealers was held in Pendleton Tuesday evening where instructions and regulations of the new program were explained by OEA officials. Attending the meeting from Hermiston were Guy Shaw of the Inland Cooperative, L. A. Moore and Charles Wilcox of Moore's Furniture Store, and Ralph Liebe and Mrs. Fred Rauch of the Oregon Hardware.

It will be possible for those in need of heating and cooking stoves to obtain the equipment by filling out proper credentials. The government has allowed the manufacture of 40 per cent of the 1941 output.

Mr. Shaw also attended a meeting of fuel dealers where price regulations were explained.

TRAILDUSTERS NEW CLUB NAME

Hereafter the Hermiston riding club will be referred to as the Trailbusters. The latter name was chosen this week from a list of 24 names submitted in a contest sponsored by the club. Hubert Snapp was the winner of a \$25.00 war bond offered for the name chosen.

Trailbusters was chosen from a final list of five, with the other four being Sundowners, Buckaroos, Cayusers and Cavaliers. Remuda club was given honorable mention.

War Bonds should mean something more to you than just "a good sound investment." Invest it in yourself.

WESTLAND CLUB HEARS REPORT

Monday, June 28, the Westland Grange enjoyed an interesting and comprehensive report of the recent State Grange given by Mr. and Mrs. J. D. McKay who attended. Mr. McKay is grand master of the local grange.

The agriculture committee, headed by Byron Foley, will present the program at the next meeting. The H.E.C. club will meet with Mrs. J. W. Rice on Tuesday, July 6. Attention is called to the fact that the group is meeting Tuesday instead of the usual Wednesday.

SCHOOL PLANS ARE REVEALED

(Continued from page 1)
reasonable to expect a favorable decision in the near future.

Another project under school supervision is also in process of organization. This is the so called extended school facilities, or Nursery school program. The general outline of this plan is that two units would be established, one in Hermiston and one at the site of the Ordnance housing project. Mothers who are working could register children at the nursery and they would be taken care of from about 7:00 A. M. until about 5:00 P. M. This would not be a school, but simply a method for caring for children above 2 years of age, whose mothers are working. It would be under the supervision of the school, but no school funds would be used in financ-

ing the project.

In addition to care, one meal and lunch would be served to each child at the nursery. The expense would be borne about equally from Federal Funds and fees from the parents of the children. The fee would be 50c per child, per day, paid by the parent, and this amount matched by government funds.

This is not a part of the regular school program, but since it would be under the supervision of the schools, this explanation is attached.

SCOUT CAMPAIGN PLANNED HERE

(Continued from Page 1)

Every year for the last five years troop 56 has had Scouts attending the camp. The widely publicized campaign of "Bill Belt for President in 1954" was started at this Boy Scout camp.

Plans for the organization of a Cub Pack in Hermiston this fall were outlined by Clifford J. Hanson, assistant scout executive of the Blue Mountain Council. He also stated that each

month the Blue Mountain Council was to have certain days set aside for the servicing of the Scout troop and Pack in Hermiston, and help conduct training courses, courts of honor, and other activities, including camping and programs.

The Blue Mountain Council is one of 526 local councils in the United States. It is one of the largest areas in Region 11, the northwest part of our country. The council is composed of 12 counties, 8 in Oregon and 4 in Washington, and has a total area of over 25,915 square miles. The council extends from Arlington to Huntington and from Connell, Wash., to below John Day. In Oregon the eight counties are Wheeler, Gilliam, Morrow, Grant, Umatilla, Baker, Union and Wallowa.

There are 55 Scout troops with over 1000 Scouts in these troops: 7 Cub Packs with over 175 Cubs. R. D. McDermott is the Scout Executive and Clifford J. Hanson as assistant.

"It is important that the finance campaign be a success here in Hermiston," stated Dr. Belt, "because we know that America's future lies in its youth."
