### SERVICES FOR HARRYMAN HELD

Funeral services for Frank O. Harryman of Umatilla were held last week from Prann's Funeral Parlors with Rev. H. V. McGee, pastor of the Hermiston Baptist church, officiating. Mr. Harryman's body was found near the sheep he was tending, death apparently due to either sun stroke or heart failure.

Mr. Harryman was born in Missouri on October 30, 1874. He leaves four children: Mrs. Edna Bault, Clifford and Lloyd Harryman, all of Umatilla, and Donald Harryman of The Dalles. Mrs. Harryman passed away in 1924, while another daughter passed away last year. He was a member of the Mt. Pleasant Baptist church of Elgin.

### TRUCKS TO HAUL MUCH GRAIN HERE

Lending a hand toward moving the huge 1943 wheat crop from the region lying south of Umatilla to the storage elevators in that city, Public Utilities Commissioner George H. Flagg has authorized a fleet of trucks to move in from Walla Walla. They are the property of William M. and William W. Hall, known as the Hall Transfer Company. The Halls have engaged to move 180,000 bushels of grain from the producing district to Umatilla before September 10.

When a public hearing in connection with the application of the Halls for such a permit was recently held at Pendleton, no objections were presented by other truckmen and it did not appear that any Oregon interest would be adversely affected by the commissioner's action.

### EVERY TIN CAN MUST BE SAVED

Mrs. Walter Hamm, in charge of the salvage campaign of Hermiston, has received notice from the Oregon State Salvage division that tin cans should be saved during the summer months. Although the active salvage of tin cans has been suspended during the summer months, a renewed effort will be made as soon as school opens. Cans should be saved during the summer months to be picked up this fall.

The tin content of the can serves many purposes. One of the newer uses is in the manufacture of syrette and blood plasma containers. There is no satisfactory substitute for tin in the manufacture of these urgently needed articles which will undoubtedly save the lives of many thousands of American soldiers who will be thrown into battle in the invasion of Europe.

An urgent request is made for everyone to save tin cans.

### NEW OFFICERS AT COLUMBIA

The Columbia Grange met Tuesday, August 17, with the meeting preceded by a pot luck supper. A total of 22 Grange members and their families enjoyed the supper. During the evening Mr. and Mrs. Dufur and Mr. and Mrs. Getchell were obligated in the Third and Fourth degrees.

Mrs. Elmer Dixon was elected Lady Assistant Steward and J. O. Tiffany was elected Assistant Steward to fill a vacancy in the chairs. Mr. and Mrs. Edmunds of Umatilla were visitors for the evening.

### STORM PROVIDES VARIETY HERE

The highlight of the past week's weather calendar was the freak electrical storm hit in this region Sunday afternoon. Otherwise nothing unusual occurred in the way of temperature readings. The days have been warm but not uncomfortable and the nights cool.

The readings, according to Charles Taylor, weather man, follows:

Date	Max.	Min.
August 11	90	52
August 12	90	58
August 13	96	51
August 14	92	58
August 15	91	47
August 16	96	53
August 17	95	56

#### MRS. RUSSELL INGALLS

Mrs. Russell (Helen Addleman) Ingalls, age 25 years, passed away Sunday morning, August 15, suddenly at a Tacoma hospital. She was to have been removed to the family home at 1445 East 28th street Monday morning, seemingly in the finest of condition, when taken with this sudden heart attack. She was an active member of the Church of Christ, and possessed a beautiful voice of which the husband has had recordings made. Following her marriage she lived at Roseburg and three years ago came back to Tacoma to make her home.

Besides her husband, she leaves her three weeks old daughter, June, her brother, Mrs. May Addleman of Tacoma, two brothers, Ernest and Victor of Oregon, four sisters, Mrs. Lela Montgomery of Steilacoom, Mrs. Viola Fischer, Tacoma, Mrs. Mary Hall and Mrs. Dorothy Shipp, both of Seattle.
