

The TRUTH ABOUT TIRES

IS THAT
ONLY AN INSIDE INSPECTION
Can tell about Fabric Breaks which do not show from the Outside until too late. It's like this:

Tires less than a year old are usually sound, but OLDER TIRES (which are most of them) GENERALLY SHOW FABRIC DAMAGE SPOTS, often started by a puncture, severe bruise or rock cut which occurred so long ago the owner has probably forgotten all about it.

AN INSIDE INSPECTION AND THEN VULCANIZED REPAIR OF ALL WEAK SPOTS WILL GIVE YOU MUCH EXTRA MILEAGE

UMATILLA NEWS

By Mrs. Glenn Ostrom

The Umatilla schools reopened their doors at 9 o'clock Tuesday morning. The school rooms have been repainted. Supt. Thomas Chapman announces all teachers have been hired, but the main high school teacher will not arrive until next week. There are three teachers back from last year and four new teachers this year.

Mr. and Mrs. Oliver McNabb spent last Wednesday in Pendleton shopping.

Mr. and Mrs. George Worn of La Grande came down Wednesday and their daughter and family. Mr. and Mrs. George Cooper and son Ronald of Troutdale, who had been visiting here returned to La Grande with them.

Jimmy Guerin of Portland is visiting his father. Catharine, Patsy and Rita Guerin, who have been spending the summer here with their father, have returned to Spokane where they will attend school.

Word was received here last week from Hollywood of the death of E. A. McMillian, former Umatilla resident. Mr. McMillian died of injuries received while working on an engine. Mr. McMillian was roundhouse foreman here several years ago and leaves many friends.

Mr. and Mrs. Arzie Smith and daughter Robbin of The Dalles came Friday and will make their home here. Arzie, Byrnes and daughter Joan and Richard Deason spent Saturday in Walla Walla visiting Mrs. Byrnes. Richard Deason and David Slattery left Sunday night from Pendleton for San Diego where they will enter their training in the Marine Corp.

Mr. and Mrs. Walter Bullard and children spent Friday in Portland shopping.

Mr. and Mrs. Max Graybeal are

building three rooms onto their home east of town.

Mrs. Osborn of The Dalles spent Sunday and Monday visiting at the home of her daughter, Mrs. George Sawyer and family en route to her home from Louisiana.

Mrs. John Liedloff was hostess to a group of friends honoring Lt. Jim Farley who was home on a furlough. Lt. Farley left Saturday from Pendleton for the east to resume his duties in the army.

Mrs. Ken Arnold and Mrs. Lloyd Dodson and Yvonne Dodson spent Wednesday in Walla Walla shopping.

Mr. and Mrs. Earl Rambrush spent the week end in Redmond where she visited her parents. They stopped in The Dalles to pick up her three sons, who made the trip with them.

Mr. and Mrs. Glenn O'Neil spent Monday in Milton where they picked tomatoes.

Mrs. John Liedloff entertained the pinocle club at her home last Wednesday evening. After several hands of cards were played the group went to the river by the Liedloff home and had a wiener roast. Guests were Madames Dale Montgomery, Dean Newgard, Al Vieg, M. Eller, Glenn Ostrom, Billie Becker and Oliver McNabb, and the hostess. Prizes were won by Mrs. McNabb and Mrs. Ostrom.

Hugh Van Schoiak, who is in The Dalles hospital, spent the first of the week here with his family.

Mr. and Mrs. Lyle Brown and children of Rietz spent Monday here visiting. The Browns had received word of the marriage of his brother Devere, who lives in the east.

Several Umatilla people attended the Attebury rodeo in Stanfield Sunday and Monday.

Mr. and Mrs. John Liedloff have as their house guest this week Mrs. Liedloff's mother, Mrs. Young and two friends from Spokane.

The Redmen Lodge held its first meeting since the hot weather last Thursday night. The Pocahontas will hold theirs this Thursday.

Mrs. Katharine Sherlock is spending this week in Portland.

To the People of this Community:

ARE YOU REALLY AT WAR?

What does being at war mean to you? Less gasoline for your auto? Less sugar in your coffee? Higher prices for your food and clothes? Separation from your husband?

Sure, it has meant all those things, some serious and some really trivial for a period when your actual safety is at stake.

But has the war meant BLOOD, SWEAT AND TEARS to you? In many instances YES. The first stage of invasion has already pushed our casualties over the 100,000 mark.

The gold stars which decorate thousands of our homes today are a challenge to the vast majority of us to do our best in the Third War Loan. No good American wants to see one more gold star added to the firmament of glory. We educate our youth for life, not for death. If they die, they die so that we might live. Every extra War Bond you buy today will back the invasion so that the war will be shortened and so that there will be less blood, sweat and tears for you and your friends.
