WESTLAND HOST TO POMONA AT FINE MEETING

Pomona Grange was held at Westland September 9th. Once again the old saying, "If you want anything done, go to the busiest person you can find," has been proven. Last Thursday the Westland Grange, whose members are almost all filling at least two jobs—farming and working at U.O.D. or in Hermiston, by close cooperation and hard work, entertained the other eleven Granges of Umatilla county.

The Pomona Grange is the legislative body of the order and meets once

each quarter with one of the twelve Umatilla county Granges as host.

Despite the very busy season and the necessity to save gas, there were between 50 and 60 people served at noon and many more were present for the initiation in the evening, where 16 candidates received the beautiful Fifth Degree work.

Pomona Lecturer, Elsie McElrath, with the cooperation of Westland Lecturer, Marian Rice, presented a varied and interesting program, the highlight of which were a talk on "The Northwest and Agriculture" by J. A. Yeager, county school superintendent from Pendleton, and "The Responsibility of the Grange in the Present Bond Drive" by Walter Holt.

Umatilla county agent. The rest of the program was given over to skits, plays and music by members of Westland Grange.

The emphasis of the entire meeting was on what the Granges could do to help with the present bond drive.

The Worthy Master, J. D. McKay, and the various committee chairmen, wish to thank every member of Westland Grange and the neighboring Granges whose cooperation made this meeting a success.

RUGG IS NAMED AVIATION CADET

Gene E. Rugg, 21, son of Mr. and Mrs. Archie F. Rugg of Hermiston, was recently appointed a Naval Aviation Cadet and was transferred to the Naval Air Training Center, Pensacola, Fla., for intermediate flight training.

Upon completion of the intensive course at the "Annapolis of the Air" Cadet Rugg will receive his Navy "Wings of Gold" with the designation of Naval Aviator, and will be commissioned an Ensign in the Naval Reserve or a Second Lieutenant in the Marine Corps Reserve.

BAND TO START "BOOMING" SOON

G. C. Humphreys, popular band instructor in the Hermiston schools, already is laying plans for a busy season. To date 47 students with instruments have turned out for practice, most of them with previous experience. In addition to this small groups of beginners are working out daily under the tutelage of Mr. Humphreys in order to prepare themselves for band

participation.

This group has proven itself extremely popular at various functions at the high school in recent years. Parades, formations and other maneuvers have been seen at ball games, fairs, programs and other gatherings.

CAFETERIA TO START SEPT. 20

Superintendent W. G. Kersbergen announced Wednesday that the school cafeteria would begin serving meals to students in the high school home economics room on Monday, September 20. Meals are served at cost to both grade and high school students. Mrs. L. S. Burrell will again be in charge of the operations of the cafeteria which in the past has proven very popular among the students.

The meals are served in a wholesome manner at a minimum of cost. It has been decided to charge 8c for a hot dish for a time until costs can be averaged. For 15 or 20c a student can "fill up."

ECHO NEWS ITEMS

By Mrs. W. H. Cravy

A war bond rally will be staged in the city hall auditorium at Echo Thursday evening, Sept. 25, with excellent entertainment and a dance to follow. Chairman Joe Middleton of the local committee has arranged for the Pendleton air base band to play for the event and the airbase octette will also appear in addition to local talent. Speaker of the evening will be Capt. Taggart, who will be introduced by County Judge Carl Chambers. Admission to the rally will be based on purchase of war bonds.

The Echo committee for the September war bond drive consists of Joe Middleton, chairman, Mrs. Dorothy Helmick, Troy Coleman, Homer Cop-

A PLACE TO LIVE

is hard to find these days. So if you have one, take good care of it. See that fire hazards are eliminated. Do not allow rubbish to accumulate in the cellar or attic, insure your home property to full value.

During the past week, disastrous fires did thousands of dollars damage in this area. It can happen again—this time it might be you.

See us today for full protection from fire.

pingier, Carl Weltzin, Sloan Thomson, Wm. Kilkenny, Oscar McCarty, Fred Andrews Jr. and M. E. Larive.

Pupils of Echo school are getting into the war bond drive with a determination to sell enough bonds to pay for at least one army jeep, and possibly two. The young people have already disposed of about \$700 worth of E bonds in the few days they have been working and several large purchases are promised before the end of

the drive. Prizes have been provided by the local committee and Supt. Larive for those who make the best records in the campaign.

Roy Hale sold his residence property at the corner of Dale and Buckley street in Echo yesterday to Mr. and Mrs. Ben Gaskill. It is understood that Bud Springer will occupy the house as soon as it is vacated by the present tenant, Mrs. Leona Thompson.

SAFEWAY Homemakers' Guide

Farm-Fresh Produce

There's still time to preserve more good fresh food, at home—it'll taste mighty good next winter! Safeway's produce is rushed as fast as possible from farm to store. Just right for home canning! Take advantage of it this week.

Last Call for Home Canning

We always will wound up the canning season at home by making sauerkraut. Probably the reason is because the late cabbage as a rule seems so much better and is so firm.

SAUERKRAUT
 20 lbs. cabbage
 1/2 lb. (7/8 cup) cooking salt

Select firm, mature heads of cabbage. Remove outer leaves; wash well; quarter, remove core; slice very fine. Mix 5 lbs. (about 7 1/2 qts.) shredded cabbage with 2 oz. (3 1/2 tbsps.) salt; place in deep crock or tight wooden keg; tamp down firmly with wooden masher. Repeat until all cabbage is used. Press down, cover with clean white cloth, then with plate or round wooden board small enough to fit down inside crock; weight down with a clean rock to keep cabbage covered with brine that forms. Keep in a warm place, 75° to 85° F. Inspect each day; remove scum with spoon; rinse cloth in clear water.

Kraut will be "cured" (appearance and taste will tell) in 10 to 20 days, depending upon amount of cabbage and temperature.

Kraut may be left in crock or keg all winter, in a cold cellar or basement (take care to remove any scum) or it may be canned from 1 to 3 months after curing. To can: drain off juice, pack cold kraut into hot sterilized fruit jars to 1/2 inch from top; heat juice to boiling, pour over kraut, seal, store in cool dark place. Do not process.

NOTE.—Cooking salt is salt without a filler and comes in bags.

ALL ABOUT HOME CANNING

If you haven't a copy of my Handbook of Home Canning, 1943 edition, then send for your copy today and let it help you wind up the canning season in grand style.

To get your copy, just send 15c to me at Box 860-CB, Oakland 4, California, and I'll see that it's mailed to you right away.
