

Battlefront of Sacrifice Is Urged Upon U. S. Women to Aid 3rd War Loan Drive

WASHINGTON, D. C.—The women of America are going all out to make a success of the Third War Loan Drive—to "Back the Attack" to the limit. For weeks they have been organizing to do their share toward raising the Treasury's unprecedented goal of 15 billion dollars in War Bond sales to non-banking investors.

In order to lay the groundwork for this intensive organization far enough in advance of the drive, Miss Harriet Elliott, Associate Field Director of the War Finance Division, in charge of women's activities, made a swing around the country during July. Regional conferences were held in Atlanta, Dallas, San Francisco, Denver, Cleveland and Boston.

"Women have been called to the battlefronts of sacrifice at a time when their brains, energies and money are most needed," says Miss Elliott. "Buy Bonds—by sacrifice, is the order of the day. If every woman in America would pledge herself to do without everything she possibly can, and carry out that pledge faithfully, she would make a genuine contribution to victory."

All groups of women are active in the drive. Many cities and counties are conducting Door-knocker canvasses and carrying out other motivational campaigns to see that every individual in these United States is reached to buy an extra \$100 Bond in September. "It takes bench-to-bench, desk-to-desk, house-to-house, person-to-person contact to put over the job," Miss Elliott believes.

United in this tremendous effort are women belonging to foreign origin groups of every nationality, Negro women, college girls, farm women, war workers, club women—professional, religious, industrial, cultural, educational, patriotic and social groups—in fact, women of every age, from every walk of life.

Cap., performed the ceremony before an altar decorated with gladioli and asters. Assisting as servers were George Jas. Neary and Charles Looseveldt.

The bride, wearing an aqua blue afternoon dress, and the traditional Spanish mantilla, was given in marriage by Major Green. The only attendant was Mrs. Milliman, who wore a gold crepe dress with black accessories. Lt. Munch, friend of the groom, acted as best man.

Eugene A. Neary acted as usher, and hymns for the occasion were sung by Miss Linda Mary Neary, assisted by Mrs. N. R. Mueller at the organ.

CAN VITAMINS CHANGE GRAY HAIR?

Read the amazing experience of gray-haired people in Calcium Pantothinate tests sponsored by a leading housekeeping magazine.

According to this report:

Age—did not seem to affect results. The earliest response occurred in a 50 year old; the latest in a 23 year old.

Color—began to appear near the roots of the hair. The color may not appear all over the head at the same time. Symmetrical areas, perhaps on the temples or the back of the head, may show traces of color first, after which the color will spread to other parts of the head.

Time—varied from 1 month to 6 months.

Results—88% of those tested had positive evidence of a return of some hair color.

Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothinate (the same amount used in tests above) PLUS 450 U.S.P. units of B₁₂, the vitamin necessary to healthy nerves. Try GRAYVITA. See what a difference it may make in the way you look. 30 day supply, \$1.50, 100 day supply, \$4.00. Please, write.
