WESTLAND BUYS \$1700 IN BONDS

At Westland's regular meeting, September 23, an unrehearsed bond rally netted \$1700 worth of bonds and members and friends are still soliciting bond pledges in that district. A large sack of beans was sent to Grange headquarters in Portland for use at the Victory Center.

The Lecturer announces Booster Night will be at the Westland Grange hall Friday, October 22, and urges that all officers be present at the October 8 meeting for drill practice. Rehearsals are underway for a really good play and a splendid program is being planned.

The Home Economics class will meet at the home of Mrs. B. C. Zeek October 6 with Mrs. J. D. Corliss as co-hostess.

NEW TIRES ONLY FOR 'C' CARDS

Henceforth on "C" book drivers with a mileage of 601 or more miles per month will be eligible for new passenger tires (Grade 1), according to F. C. McKenzie, chief clerk, of the local War Price and Rationing Board. This will remove new tire eligibility from all "B" drivers and some "C" book holders for Grade 1 tires, either pre-war or synthetic.

This action has been deemed advisable because of the dwindling supply of these tires.

Julia says—
Here's how with fall vegetables

I FOUND, long ago, that fall vegetables can really be both good and different! Take parsnips and rutabagas, for instances. If your family hasn't been too keen about them before, they might like them this way. I know my family does, and they're inclined to turn up their noses at them served in any other way. Here are some suggestions for those two fall vegetables, and others too:

CANDIED PARSNIPS—Wash and scrape or peel parsnips, and cook whole or cut in halves lengthwise. Cook covered in small amount of salted water, about 30 minutes or until tender. Drain, sprinkle with brown sugar, salt and pepper, and bake in moderate oven about 15 minutes, basting parsnips once or twice with hot water and meat drippings. Serve as you would sweet potatoes.

SPICED RUTABAGAS—(This goes for turnips, too). Wash and slice rutabagas, and cook covered until tender in just enough hot, salted water to create a steam, about 15 minutes. Drain and mash and season with salt, pepper and a little ground cinnamon and clove if you like.

CALIFLOWER SALAD—Wash cauliflower, and separate into tiny flower-lets or chop coarsely. Add raisins, chopped apple, chopped nut meats and marinate in a tart light dressing. Serve on a bed of shredded spinach. This really tastes better than it sounds!

STUFFED SQUASH—Use small individual squashes like Danish. Split squash, remove seeds and parboil in salted water until almost tender. Drain and fill cavities with chopped, cooked meat and tomato mixture. Bake in hot oven (400° F.) for about 30 minutes or until squash is thoroughly tender and meat mixture is heated through.
