ECHO NEWS ITEMS

By Mrs. W. H. Cravy
Echo Methodist church is now ready to have the first services held in the large assembly room for over a month. Refinishing of the interior was completed this week, ceiling and side walls being entirely covered with plaster surfaced firtex in paneled effect. The committee in charge of the improvement wishes to thank all those who contributed labor and money for this much needed improvement. Louis Penney writes his parents, Mr. and Mrs. D. Z. Penney, that he is now attending a 14-weeks course for navy electricians mates at Lake Union school in Seattle, and likes the navy service more every day. Wayne McFaul left Monday night for Fort Lewis after visiting his mother, Mrs. Nona H. McFaul for a

few days. He will be inducted into the quartermasters division of the army, but is not certain just what type of service he will be assigned to.

Mr. and Mrs. Francis Mills of Vancouver, Wash., are the parents of a daughter born November 13. The little lady, who is a granddaughter of Mrs. Leona Thompson of Echo, has been named Marian Lee.

Mrs. Thomas H. Loughary and infant son, Patrick Thomas, are now at the home of her parents, Mr. and Mrs. Tony Cunha. Mrs. Loughary, who was quite ill for several days at St. Anthony's hospital, is now recovering satisfactorily.

Mary Ruth Middleton was taken to the Pendleton hospital Sunday suffering from pneumonia. Reports Tuesday were that she is recovering satisfactorily.

Members of the Ladies Aid society are making preparations for their annual bazaar which will be held at the church basement December 4, starting at 10:30. Many attractive articles for Christmas gifts will be on sale. A cooked food sale will be held and lunch will be served at noon.

Mrs. Dorval Oleman and little daughter, Toni Kay, arrived in Echo Wednesday for a visit at the home of Mrs. Oleman's parents, Mr. and Mrs. Tony Cunha.

The many friends of Mr. and Mrs. Guyles A. Lyons were saddened by the sudden death of their little two-months old daughter, Ramona Rose, which occurred Sunday night. The child was ill only a few hours and succumbed to pneumonia just after reaching St. Anthony's hospital where her parents took her as soon as symptoms of serious illness were noticeable. Ramona Rose was born September 24, 1943, and died November 21. Funeral services were held Tuesday morning at Echo Catholic church.

Echo's postmaster, "Steve" Spike, is now Pvt. Jih S. Spike, taking six weeks training in Camp Lee at Petersburg, Va. He writes that basic training is really tough. He is on the run from 5:30 A. M. until 10 P. M., with only one Sunday a month off. The work is so heavy that the men are given a ration and a half of food during basic. He has missed KP duty but has 12 hours a week firing the kitchen stoves and four barracks ranges.

Mrs. Burl Wattenburger of Butter Creek has returned from Weiser, Idaho, where she was called several weeks ago by the serious illness of her mother, Mrs. Alta E. Strain. Mrs. Strain died November 11 and funeral services were held for her at Weiser Sunday. She is survived by her husband, A. V. Strain of Weiser; and four children, Mrs. Margaret Bengoechea of Jerome, Idaho; Alvin Strain of Portland, Mrs. Elsie VanOrsdall of Pendleton and Mrs. Burl Wattenburger of Echo.

Mrs. Irene Wamsley, who since the death of her brother, Ed VanHorn, has resided at the Wilson cottage east of Echo, has been admitted to the Masonics home at Zenith, Wash. She writes friends here that it is a wonderful institution with good food and the best of care for inmates. She has been in the hospital there since her arrival and her health is somewhat improved.

CHRISTIAN SCIENCE CHURCHES

"SOUL and Body" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 21.

The Golden Text was, "Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?" (I Cor. 6:19).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "No man can enter into a strong man's house, and spoil his goods, except he will first bind the strong man: and then he will spoil his house" (Mark 3:27).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Our Master asked: 'How can one enter into a strong man's house and spoil his goods, except he first bind the strong man?' ... Mortal Mind is 'the strong man,' which must be held in subjection before its influence upon health and morals can be removed. This error conquered, we can despoil 'the strong man' of his goods,—namely, of sin and disease" (p. 339, 400).
