"Best Foot Forward" Is Considered

The senior class is considering for their spring production, "Best Foot Forward", a three-act comedy by John Cecil Holm. The play is based on the musical comedy by the same name. The date has tentatively been set for March 3. The play will be under the direction of Miss Lavina May Lynch.

Noon Recreation Program Started

Noon activities got underway last week. Mondays and Thursdays are in charge of Mr. Davison and Mr. Humphreys with boys' intramural basketball; Tuesday, Miss Lynch has girls' intramural basketball; Wednesdays and Fridays, the gym is used for dancing with Miss Brunquist and Mrs. Bracher in charge.

SENIOR SERVICE SCOUTS MEET

Monday night the Senior Service Scouts, Troop No. 1, held their meeting at the U.S.O. After their business meeting they enjoyed an informal banquet. The officers who conduct the meetings are: La Desca Pieper, president; Joy Reed, vice president; Melba Kelly, treasurer; Doris Ann Daugherty, secretary.

The next project for the troop will be a ten weeks First Aid course with Mr. T. J. Means as instructor. Miss Marie Cooper, the troop leader, is assisted by Mrs. T. J. Means. Under her direction the girls who do not take First Aid will roll bandages for the Umatilla Ordnance Depot hospital.

GIRLS SCHEDULE COURT TOURNEY

The first game of the girls' intramural basketball tournament was played last Thursday in the gym. The two teams playing were La Desca Pieper's and Jo Ann Graves'. High score was won by La Desca's team. On January 18 Alice Geer's and Doris Ann Daugherty's teams will play.

Irene

When Irene got home from the airplane factory she was good and tired. This was the hour, after work and before dinner, that she always looked forward to. Her private name for it was "My sissy hour." Into it, these days, she packed all the lazy, luxurious little things she loved—things that used to take up a lot more than an hour of her peace-time days.

She sat down at the little desk in her room. You could tell quite a lot about Irene from that desk. The water-glass filled with the small bouquet of flowers she sometimes bought on the way home. The paper-weight of pink marble. The thin, crackly blue air-mail stationery. And the big, framed photograph of a young man in a corporal's uniform—as good-looking a man as Irene was pretty. On the blotter pad lay the telegram that had come that morning just as she was leaving for work.

With those long, well-shaped fingers she reached for a sheet of paper. She nibbled the end of her pen for a bit, and then she wrinkled up her nose at the picture of the soldier and began to write, "Dear Mr. Morgen-thau", but the corporal's name was Jackson and she called him Pete. Her round handwriting spread across the page. "My boy friend is with the A.E.F. in Ireland. He has cabled me fifty dollars with which to buy a diamond ring. I've been thinking it over and decided to buy a War Bond to help Uncle Sam instead. This may help to bring my boy friend home sooner, and then he can help me select my ring."

Slowly she began to sign her name. "Irene"

The TRUTH

ABOUT TIRES
 IS THAT
ONLY AN INSIDE INSPECTION
 Can tell about Fabric Breaks which do not show from the Outside until too late. It's like this:

Tires less than a year old are usually sound, but **OLDER TIRES** (which are most of them) **GENERALLY SHOW FABRIC DAMAGE SPOTS**, often started by a puncture, severe bruise or rock cut which occurred so long ago the owner has probably forgotten all about it.

AN INSIDE INSPECTION AND THEN VULCANIZED REPAIR OF ALL WEAK SPOTS WILL GIVE YOU MUCH EXTRA MILEAGE
