COLUMBIA NEWS

By Mrs. Bob Woodward

Mrs. Myrtle Carter, home extension agent, will conduct a demonstration and discussion on "Wartime Cookery" next Tuesday, January 25, at the regular meeting of the Hermiston Home Extension Unit. The meeting to be held at the U. S. O. building will convene at 10:30 a. m. with a pot luck luncheon to be served at noon. New members are always welcomed.

Mrs. R. B. Wilcox was to leave on Wednesday to spend several days in Salem with her mother who is ill.

Harold (Manny) Woodward, who has been at the Instone ranch near Heppner since his discharge from the army, was to enter the Veteran's hospital at Walla Walla on Wednesday for an examination and treatment.

Melvin DeGarmo is home on furlough from Camp Roberts, California. Mr. and Mrs. Duff Knight and Mr. and Mrs. Henry Wilson were admitted as new members to the Columbia Grange at the regular meeting on Tuesday evening. An oyster supper was served following the business meeting.

Attendance at Columbia school was quite low the first of this week due to colds and other illness.

Doreen Cable, small daughter of Mr. and Mrs. A. H. Cable, has been quite ill of a severe cold the past week.

Myrtle Caldwell is to report to the army induction center at Portland next Monday, January 24. Ted Panages is to report with the same group.

Mr. and Mrs. Myrtle Caldwell were Sunday dinner guests at the ranch home of Mr. and Mrs. Elmer Connor.

Herbert R. Koch of Cheyenne, Wyoming, visited here the first of the week at the home of his brother-in-law, B. E. Getchell, while en route to Pasco where he is employed on a housing project.

Mr. and Mrs. James Getchell went to Echo to spend the week end with her mother, Mrs. Jack Abel. Their small son Jerry became ill with the

measles on Monday and he and Mrs. Getchell remained there in quarantine.

Carl Caldwell of Tacoma spent Wednesday here.

Glenn Parsons suffered a painful head injury last Saturday when a meat hook at the cold storage plant fell on him.

New Students Enter School

The beginning of the second term at Hermiston high school saw several new faces entering the class rooms. Among these were Gale Davis, Gordon Baker, Wallace Fredrickson, Bob Barker, Donna Beck and Helen Cooper.

FINE WEATHER PREVALENT HERE

Not quite reaching the mid-summer temperature of 86 degrees reported in California this week, the weather here this week left nothing to be desired. The days seemed more like spring instead of mid-January winter temperatures. When asked whether he could guarantee a continuance of this type of climate, Charles Taylor, weather man, stated, "Yup, at least until the end of February." Should he be right, he would be the most popular man in town.

The report follows:

Date	Max.	Min.
January 12	32	27
January 13	33	29
January 14	43	20
January 15	42	30
January 16	42	29

4-H RABBIT CLUB ELECTS OFFICERS

The Busy Bunny Rabbit club, a 4-H organization, met at the home of Mrs. C. A. Beck this week to organize for future projects. Officers elected were: Dulcinea Panages, president; Clifford Panages, vice president; Donna Beck, secretary; Travis Beaver, reporter. There are nine members enrolled.

The group will meet every Thursday, stressing rabbits in their project work.

COURSE IN CHILD IS OFFERED

Planned as an aid to young mothers, the Extension Service is offering a correspondence course featuring "The Home With A Small Child." This work is open to all mothers with children under 4 years of age. There will be separate sections on Clothing, Home Management, Family Relationship, Foods and Nutrition. A series of letters will be issued, together with bulletins and mimeographed material. A mother may start at any point according to the age of her child.

Any interested mother may enroll in the course by sending her name, address, age and sex of child, (giving date of birth), to the Home Demonstration agent at Pendleton. There is no charge for the work.

GIRL SCOUTS HOLD MEETING

During their business meeting the following girls in Troop No. 2 were reported to have passed the Tenderfoot tests: Dorothy Olson, Lois VanArsdale, Marjorie Lamm, Jenny Bussler, Marjorie Burr, Leota Carr, Patricia Wilcox, Lorena Lamm, and Yvonne Smith. Six girls are working for first class ratings: Jinky Wilson, Marjorie Hughes, Marilyn Hughes, Gladys Bacon, Gloria Wardwell, and Jerrie Oviatt.

After their business meeting Troop No. Two was invited to a program presented by Troop No. Four. MEATLESS BEAN SOUP

1 1/2 cups dried beans
 1 cup coarsely chopped onion
 3/4 cup thinly sliced celery
 2 tbsps. shortening
 9 cups water
 1/2 tsp. salt
 1/4 tsp. dry mustard
 1/4 tsp. thyme
 1/4 tsp. pepper
 2 tps. vinegar

Pick over and wash the beans. Saute onion and celery in hot melted shortening in heavy 4-qt. kettle until limp but not brown. Add beans and water, cover. Cook slowly until beans are mushy (about 3 hours). Mash beans. Add seasonings and vinegar. Serve garnished with egg or lemon slices. (Can serve 6.)

COUNTRY SOUP

2 medium-size potatoes
 2 small turnips
 3 small onions
 1 large carrot
 3/4 cup sliced celery
 1/2 tsp. pepper
 2 tbsps. enriched flour
 2 tbsps. cold water
 milk
 1 tbsp. butter or margarine
 2 tps. salt

Wash, peel and dice potatoes, turnips, onions and carrot. Add celery; cook in boiling water to cover in 3-qt. saucepan until tender (about 20 mins.). Drain vegetables, saving liquid. Cool vegetables thoroughly. Force through fine sieve, making about 5 cups puree. Make paste of flour and cold water; add to vegetable puree. Cook until slightly thickened (about 10 mins.), stirring frequently. Add vegetable liquid combined with enough milk to make 1 1/2 cups, butter or margarine, and seasonings. Heat thoroughly. (Can serve 6.)

FISH-CORN CHOWDER

2 tbsps. drippings
 3 tbsps. flour
 4 cups milk
 1/2 to 1 tsp. salt
 1/4 tsp. onion salt
 1 1/2 cups cooked flaked fish
 1 1/2 cups thin sliced celery
 2 cups whole kernel corn

Make white sauce. Melt drippings, blend in flour, add milk gradually and cook until thickened. Add remaining ingredients and heat well. Serve at once. Serves 6, allowing 1 cup per serving. NOTE: One No. 2 can oysters can be used in place of fish.
