

# Now for the KNOCKOUT!

## Have you done your part in the

YOUR gallant fighting men are giving all they've got to put over the knockout blow. But you must do your share to back them up. Your share in this all-out drive means investing in War Bonds until it hurts. The very least you can do

is invest in at least one extra hundred dollar Bond (costs \$75.) . . . and as many more as possible. Help your company meet its quota. Display the 4th War Loan emblem at home. Do this and you'll help your country . . . help yourself.

### 4th WAR LOAN?

**Let's All BACK THE ATTACK!**

### U. O. D. NEWS

(Continued from Page One)  
**U. O. D. Employees Association Sponsor Bond Contest**  
 The Employees Association of the U. O. D. is sponsoring a contest among the women of the depot to see who can sell the most bonds for cash during the week of January 24-29 inclusive. Awards will be made at the Amateur Contest at Ordnance City January 29 at the recreation building. This contest is open to any girl of the depot and she can sell bonds (cash) to anyone of any department who wishes to buy. The women are really trying to help Uncle Sam win this war by lending our money to him. So, let's dig deep and put all of our money that we don't need into bonds.

A bet in the magazine area office revolves around whether a certain Coos Bay will be marching to 1 - 2 - 3 - hep! He says that he will and a certain dark headed girl whose initials are C. C., whose middle name is "Lizzie", bets a box of candy that he won't. We'll see.

Fifty-three one and two bedroom houses are now ready for occupancy for employees of the depot. The rates are \$27.50 for one bedroom and \$30.00 for two bedrooms. All houses are unfurnished. There will be additional charges for electrical current and the occupants will supply their own fuel. Some of the homes are wired for electric ranges. Electric water heater, electric refrigerator, coal and wood heater and coal oil stoves are standard equipment at the above prices. Certification for one of these homes must be made through your Personnel division in Building T-52.

Military participation in the Third War Loan Drive on the Umatilla Ordnance Depot amounted to \$3,838.75 in cash sales. Military payroll deductions for the purpose of War Savings Bonds totaled \$387.50. Arrangements are being made for the military personnel of U. O. D. to increase their participation in purchasing War Savings Bonds in the Fourth War Loan Drive. Watch this column for further notices concerning U. O. D. in the Fourth War Loan Drive.

During the Third War Loan Drive the total bonds sold for cash at the U. O. D. amounted to \$16,775.60. Post Engineers were high with \$3,975.00,

U. S. Treasury Department

### HERMISTON HERALD

Guards were second with \$2,406.00, and the Magazine Area was third with \$2,225.00.

To date, January 25, 1944, in the Fourth War Loan Drive the total values of cash bonds is more than \$6,950. This represents nearly half of the total spent on the depot during the Third War Loan Drive. Two individuals from Signal Corps and one from Personnel have each purchased a \$1000 bond for cash. Promises of cash bond purchases to those individuals who are competing in the contest for selling the most bonds during the last week of January exceeds the total sold during the Third War Loan Drive. To put U. O. D. "over the top" every employee is urged to buy for cash all he can afford during this special drive. Let's get behind them and push.

As an additional boost to the success of the Fourth War Loan Drive, a bond selling contest is this week being sponsored by the U. O. D. Employees' Association. This contest is open to any woman employee of the Depot, and sales may be made to anybody, anywhere. Sales blanks are available through Mr. Smith's office or the Bond Office in Building T-52, and all sales must be reported to the Bond office by noon Saturday, January 29, in order to be considered for a prize.

Cash prizes of \$15.00, \$10.00, and \$5.00 will be awarded to the three ladies reporting the three largest totals in dollar values of bonds sold.

Presentation of these prizes will be made at the Amateur Show which will have its second showing at the Ordnance Community Hall, Saturday, January 29, at 8:15 p. m.

The first bond purchased for cash on U. O. D. in the Fourth War Loan Bond Drive was bought by George Russell of the fire department on the Umatilla Ordnance Depot.

*I'm A W. O. W.*

I drive a truck and haul the bombs. The shells, the gas, the fuse, I help to send the many things That all our soldiers use.

I drive the nails, I band the crates, I stencil side and end Of boxes, crates, torpedoes, too, And get them ready to send.

Across the sea, on land or air. The boys these things must have To win the fight; come on let's work And help our country save.

I am a W. O. W., my place is small My work I'll bravely do, I'll stand behind the lives and fight And say a prayer for you.

I am a W.O.W., my place I'll fill. Alone I am not much; But put us all together And we're a fighting bunch.

The boys are at the front Bravely doing their share. Come you W.O.W.'s, we'll do our work And get the fireworks there.

—Stella Doll, Truck Driver No. 822

## Your New Home Can Be Financed!

You can buy your home exactly the way you are used to buying and automobile, or a major appliance —by convenient financing in easy-to-pay monthly amounts. Purchasing a home in this way, you need lay out no more money each month than rental now costs you: yet ultimately you will own the home in which you live—in which you want your family to grow up. Consult us for full information regarding the financing of the home you are interested in.

**LOOK AT THIS--** You need a down payment of only \$595 to \$650--[depending on the house you choose]. Monthly payments range from \$27.07 to \$29.57, including taxes and fire insurance.
