## U.S.O. INVITES PARTICIPATION

By U. S. O. Staff

What are you looking at? It depends upon where you're standing! In Hermiston January 13, 1942, you dedicated the U.S.O. club, which celebrated its second birthday several weeks ago. Nationally, U.S.O. began celebrating its third anniversary on February 4, 1944. From the beginning U.S.O. has served in many military and industrial areas and it has been now announced from U.S.O. national headquarters that there are 30,000,000 people taking advantage of U.S.O. facilities per month.

Locally the U.S.O. council and its executive committee, composed of L. C. Smith, chairman, Rev. H. V. McGee, vice chairman, and Mrs. H. C. Sutch, secretary, wish to extend to the entire community a welcome to all of the U.S.O. activities at both Hermiston and Ordnance City.

As the U.S.O. anniversary of three years is being celebrated on a nationwide scale, the local council invites all war workers and citizens of the community to participate in all future U.S.O. programs. There will be a Boy Scout Council of Awards at 7:30 p. m. Wednesday, February 9. Every-

one who is interested in Scouting is invited to this event. On February 19th, the U.O.D. Employees Association is sponsoring a real, live radio broadcast from the U.S.O. club. This will be one of the biggest shows that ever took place in Hermiston and the U.S.O. council cordially invites everyone to attend.

So—what are you looking at? It's just exactly what you want at your U.S.O. Come on down to U.S.O. and be a part of the anniversary of the U.S.O.'s third year.
