**ECHO NEWS ITEMS**

The past year was a good one for fur farmers, according to A. Hackbarth, local fox grower. He raised 34 pups from 10 females and will have double the breeding stock this year. From many years experience with fox-raising he has developed a method of feeding, from August 1 to pelting time, which changes the tint of a silver fox fur to what is called in the trade a pearl platinum silver. The latter furs, at the January fur sales, brought about three times the average price of the plain silver fox furs. R. E. Ward sold his tract of land between Block 8 of Koontz' second addition to Echo and the government ditch this week to Ben Krause.

Echo Boy Scouts held a review Monday evening and 10 members passed their tests as second class scouts. They were all in attendance at the court of honor observing the 34th anniversary of the organization at Hermiston Wednesday.

Miss Bernice Mudge, who joined the Waves last year, is now in the Seattle postoffice. Her work is checking wrong addresses on mail for sailors and forwarding to the right address.

The Earl Drennan hay baling crew which was working out of Echo all winter is now at Nyssa.

Mrs. Earl Gordon of Kelso, Wash., who spent the past week with her parents, Mr. and Mrs. Dan Bowman, returned to her home Tuesday. Mr. Gordon is now employed by the Longview PUD, but lives at Kelso.

O. F. Bartholomew, federal soil analyst, who has been stationed at Corvallis for some time, sold his home there recently and has been transferred to Berkeley, Cal.

**TROUT SEASON  
OPENS APRIL 15**

Final action regarding the 1944 angling regulations was taken by the Oregon State Game Commission when it met in Portland on January 29th. Effective February 1 will be the new regulations on steelhead and salmon over 20 inches in length. In the coastal streams the bag limit was five fish a day, but now the limit in all sections will be three fish a day or nine in any seven consecutive days or in possession at any one time. There will be no bag limit, however, on jack salmon under twenty inches in length.

The six inch trout season will open on April 15 and close October 31. The bag limit remains the same as before, 15 fish or 15 pounds and 1 fish in any one day but not to exceed 30 fish or 30 pounds and 2 fish in any 7 consecutive days or in possession at any one time.
