**ECHO NEWS ITEMS**

William Able is home for a 9-day furlough with his parents, Mr. and Mrs. Tom Able. He has had a year's training in the glider corps and is stationed at Camp Pope, Louisiana. He expects to leave soon for overseas. A letter from his brother, Pete Able, says he is well and is helping drive the Japs from the strongholds in the Pacific.

Irvine Howard, who is being transferred from Camp Lee, Virginia, to Camp Beale, Calif., has a furlough en route and is spending it in Pendleton with his wife. His mother, Mrs. Alma Howard of La Grande, and son Frank, Mr. and Mrs. Irvine Howard, Mr. and Mrs. Phil Ansell and family

of Boise, Mr. and Mrs. Howard Shepard of Pendleton and Mr. and Mrs. Frank Irvine were dinner guests Sunday at the home of Mr. and Mrs. Wm. Helmick in Echo. Mrs. Helmick is Irvine's sister.

Miss Marian George, who is at the home of her sister, Mrs. Don Parker of Portland, writes that her infant Parker nephew has been named Craig. Miss George expects to be home in two weeks.

Frank Howard, grandson of Mr. and Mrs. F. J. Irvine of Echo, is leaving for Chicago to attend midshipman's school at Northwest University.

All the teachers of Echo schools have been reelected with a ten per cent increase in salary. Contracts have been signed by all of them except Mrs. Chastaine, who does not

plan to continue in school work. Those elected are Mrs. Sue Waid, Mrs. Bonnie Wilcox, Earl Cotton, Clayton Norton, Jeanette Case and Mrs. Treva Reisa. M. E. Larive, superintendent, was reelected earlier this spring.

High school girls who have been assisting in the Red Cross drive are Mary Lois Cotton, Mary Ruth Tolar, Wilma Brown and Mildred Penney.

Mrs. Jule Smith and children of Pilot Rock are visiting at the home of Mr. and Mrs. Joe Middleton.

B. B. Middleton has received word that his nephew, Joseph T. Middleton of Ballinger, Texas, has been awarded the silver star for gallantry in action during the invasion of Italy. Captain Middleton, who is with the 36th infantry division, received the award September 12, 1943, near Altavilla, Italy. During the entire attack, the citation said, Capt. Middleton moved his platoon through lines of heavy fire, giving orders as to the hostile positions and reorganizing his company for further effort. His quick thinking and outstanding leadership prevented encirclement of the battalion by the enemy.

**FIRST SNOWFALL PROVES LIGHT**

The first measurable snowfall of the year came Saturday when for about two hours the ground was covered with an inch carpet. A warm rain soon wiped out the snow but at least Hermiston residents received a brief glimpse of this usual winter visitor. A total of .32 precipitation was recorded for the day.

A checkup at Cold Springs reservoir indicated that unless something unforeseen occurs, irrigation water is again assured for the coming summer. It is estimated that the reservoir will be full to the brim by the latter part of March.

The report follows:

March 3	55	30

**The TRUTH**

**ABOUT TIRES**  
IS THAT  
**ONLY AN INSIDE INSPECTION**  
Can tell about Fabric Breaks which do not show from the Outside until too late. It's like this:

1. VULCANIZING CUTS FABRIC

2. WATER SOAK SPREADS THE BRUISE

3. VULCANIZING A BLEW PUT

Tires less than a year old are usually sound, but OLDER TIRES (which are most of them) GENERALLY SHOW FABRIC DAMAGE SPOTS, often started by a puncture, severe bruise or rock cut which occurred so long ago the owner has probably forgotten all about it.

AN INSIDE INSPECTION AND THEN VULCANIZED REPAIR OF ALL WEAK SPOTS WILL GIVE YOU MUCH EXTRA MILEAGE  
Come in and see us now.
