MISSIONARY TO SERVE HERMISTON

The church is a pioneer in bringing about improved racial relations. Race and color lines are obliterated in the sphere of religion. Through their missionaries, the churches have taught equality of human beings, regardless of race or color. The Chinese and the Japanese, the African and the Alaskan, the Indian and the American—all are "equal under God."

The Hermiston Baptist church is sponsoring the coming of Miss Isabelle Gates to this community. She is at present employed by the Oregon Baptist State Convention to foster improved understanding of racial problems. Miss Gates is in demand as a speaker and worker in this field of work and the community is fortunate to secure her services. She will speak at the Baptist church Sunday morning, March 19th and 26th, and spend the week making personal contacts.

The churches of Hermiston will take a united survey of the town to aid Miss Gates in her work. The members of all churches are invited to

participate. The workers will meet in the basement of the Baptist church following the morning worship service Sunday. Miss Gates will give final instructions and the taking of the religious census will then begin.

CENTRAL CHURCH OF CHRIST

C. Warner, Pastor

The sermon topic for Sunday morning will be, "Christ Before Pilate." Mrs. Doris Davis will be with us throughout the day with her concert harp, singing Sunday morning, "Jesus," with harp accompaniment.

Columbia Christian Endeavor Union, the young people of Umatilla and Morrow counties, will gather at the church at 3 p. m. Sunday to enjoy an afternoon of fellowship. A dinner at 5:30, a C. E. meeting at 7, with Betty Fleming leading the meeting, and the regular worship hour at 8, at which time Mrs. Doris Davis and Muriel Kingsley will sing, "No Night There," accompanied by the concert harp, and Mrs. Davis will render an instrumental solo, "Evening Hour" on the harp. Mrs. Davis appears at the church one Sunday each month with her harp. You will enjoy hearing her.

TOWNSEND CLUB NEWS NOTES

By Mrs. Joe Udey

We urge anyone that wants to know more about the Townsend state bill to attend our meeting at the U.S.O. Tuesday, March 28, at 8:00 p. m.

A notice just came from our state office asking to notify everyone, through the press, that Dr. Townsend and John H. Weir will address a huge mass meeting in the Neighbors of Woodcraft hall, 14th and Morrison St., Portland, on Sunday, March 19, at 2:00 p. m. The doors will open at 1:30.

BILL PROVIDES FOR TEST WORK

A bill is now before the House of Representatives allocating \$100,000 for use in test work on the proposed Umatilla Rapids Dam. Should the war department civil functions appropriations bill "make the grade" army engineers will have the above amount for preliminary work, according to a recent dispatch from Washington.

The district office of the army engineers in Portland has stated that it would finance long-range planning for development of the Columbia and its tributaries.

Do You Eat Carrot Tops?

Of course you don't! That's why we sell carrots with the tops off—and we have discovered housewives prefer to buy them that way. Topping makes for important savings in many ways all along the line—from farmer, to shipper, to store—and to you! Then, buying them by the pound as Safeway sells all produce—you get FULL VALUE for your money.

We Safeway people have worked out a simpler way of harvesting carrots and other root vegetables:

We buy root vegetables with the tops off—unbunched!

Harvesting carrots with the tops off is practically a single operation: The carrots are pulled and topped right into the field crates. Naturally this is quicker and easier. It calls for less skill; less manpower; saves the farmer on labor. And the tops, left in the field, help return humus to the soil.
