

Your Seed Headquarters—

New shipment Kings X Hybred Seed Corn. Tried and proven adaptable to the Hermiston area. Also a complete line of Field and Garden Seeds.

Potato Growers, Attention!

We are now taking orders for Netted Gem Seed Potatoes. Certified or uncertified. The uncertified seed is hand sorted for size and quality from plantings of certified seed.

Servall Staz-Dry—

The ideal litter for brooder house and laying house—is dustless, highly absorbent, and covers more floor space than other type poultry litters, yet costs less than most other types.

U. O. D. NEWS

(Held from last week)

Who is Esther? Ask anyone in the Electric Department and they are ready with an answer like this—She is the girl with the smile you know

the one that brings the good candy for all of us to eat . . . You mean you haven't eaten any of that good fudge or divinity that she makes and brings every time she has a day off? Just last week she said "I am taking two days annual leave." You should have

New Machines Are Hard To Obtain

SO WE MUST TAKE CARE OF OUR PRESENT EQUIPMENT.

- CHECK that air cleaner regularly.
- KEEP oil and grease compartments full of good clean lubricant.
- BE CAREFUL where you drive.
- CHECK air pressure in tires regularly and keep properly inflated.
- KEEP rubber tires protected from weather when not in use.
- PAINT your machines to protect from rust.

ABOUT TIRES

IS THAT ONLY AN INSIDE INSPECTION

Can tell about Fabric Breaks which do not show from the Outside until too late. It's like this:

Tires less than a year old are usually sound, but OLDER TIRES (which are most of them) GENERALLY SHOW FABRIC DAMAGE SPOTS, often started by a puncture, severe bruise or rock cut which occurs, red so long ago the owner has probably forgotten all about it.

AN INSIDE INSPECTION AND THEN VULCANIZED REPAIR OF ALL WEAK SPOTS WILL GIVE YOU MUCH EXTRA MILEAGE

Come in and see us now.

Hermiston Auto Co.

Hermiston, Oregon

heard the shout "We are going to have candy"—one said "Make it fudge"—another "No, make it divinity"—"well", said Esther, "I guess I will just make both." And you bet that on the morning that she was due back, everyone came just a little early to be sure they got some of that good homemade candy from the girl with the big smile—Esther Mordhorst.

Mrs. Jessie Jensen and Mrs. Frances Troesch, from the Magazine Area field office, recently received similar bracelets from their husbands who are in the service. Mrs. Jensen's husband is in Australia and Mrs. Troesch's husband is in England. The bracelets, which are very pretty, are made from shillings, sixpence and florins.

The Roving Reporter—Remember those horses I mentioned last week? Well—some of the girls have been riding judging by the stiff muscles. Nuff sed. And Chief Mohr said those buttercups I was so thrilled over are not buttercups at all . . . I don't remember what he called them . . . but I think they are pretty anyhow. I asked one of our workers what he did over the week end and he said "Well, I did some of that and on the other hand I didn't do any of the other and then I went there and I didn't see any of those so I came back and then I bought some of the scarce ones but I didn't buy any of this because I didn't have any ration stamps. Better luck next time, Grant, and I hope your next item will be as clear as this one.

Royal Rand In Marines

When Royal B. Rands of Boardman, truck line owner, returned from his furlough following acceptance in his pre-induction examination, he selected the marine corps. Rands left for the San Diego "boot" camp March 17, immediately following enlistment. Private Rands is a graduate of Boardman high school and also a former student of Eastern Oregon College of Education in La Grande. His wife and two children will reside in Boardman while he is in the service.
