They mean it when they say...

**"Fight Waste!"**

In the words of General Marshall:

"This war is far from won. Its great battles lie ahead. And today... even with the full industrial might of the United States mobilized for the task... our military needs are far from satisfied.

"But America still has one great resource untapped... the American home. And this resource can create the pool of new manpower, materials and production facilities needed to insure swift, overwhelming military success. FIGHT WASTE!"

**THESE ARE RESOURCES WE MUST SAVE...**

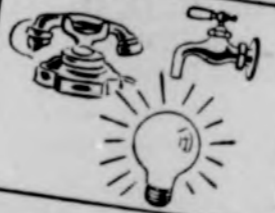

**FOOD**

Grow all you can—buy carefully—share and preserve.

**FUELS**

Household fuels are war fuels, too—right at the head of the critical list.

**UTILITIES**

Think of your electric service, your water and telephone, in terms of the manpower and critical materials they involve. Use what you need—but need what you use.

**HOUSEHOLD EQUIPMENT**

Keep all equipment in good repair. Use it carefully, make it last. Share any equipment you're not using by selling it to someone in need.

**TEXTILES and LEATHERS**

It's patriotic to "wear it out" and make it do. Buy only what is needed.

**TRANSPORTATION**

Travel less—ship only what is necessary—share and care for your car.

**IDLE MATERIALS**

Help your local salvage groups save fats, scrap metals, tin cans, paper and all other materials that may be requested.

Before all else—BUY WAR BONDS

USE LESS—SO OUR FIGHTING FORCES WILL HAVE MORE!
