**Your check from PP&L will be mailed early next week!**

Watch for it!  
It's your share of the \$300,000 "rate dividend" we're paying to our electric customers!

YOUR CHECK will come in the same type of envelope used for mailing our bills. You will notice, too, that the check itself is the same size and shape.

The reason for this is that these checks—75,000 of them—were made out on our regular book-keeping machines in order to get the job done quickly and efficiently. You can imagine what a long, slow job it would be to write so many checks by hand.

We are glad to share with our customers in this way the benefits of the extra volume of business resulting from unusual wartime demands for electricity at many points on our system. This is just one more step in our 34-year record of consistently reducing the average price you pay for electricity.

## Keep U. S. Senator Guy Cordon on the Job!

CORDON was selected by Gov. Snell as the man best qualified to take the late Senator McNary's place.

CORDON has successfully represented Oregon's land grant counties in Washington, D. C., since 1926.

CORDON is an authority on tax matters and Oregon resources. He has caused the Federal government to return \$15,000,000.00 to the State of Oregon.

CORDON is practical, down-to-earth, a self-educated man; a successful attorney. He is a strong believer in state's rights and free enterprise.

CORDON believes the Federal Government should reimburse local taxing agencies for lands removed from the tax rolls, to avoid throwing additional taxes on property owners.

CORDON helped write the original Oregon Cooperative Old Age Assistance law.

CORDON is a Veteran of World War I, a former state commander American Legion; his only son is now with the U. S. Air Forces in Italy.
