

Charlie Says:

"It is with a feeling of satisfaction that we now have our plant all cleaned up and have practically all of our pre-war employes back on the job. All of our employes except one now own their own homes in Hermiston and are truly a part of the community. While we are well aware of the fact that the war is still on, we do take pride in the service we are now able to give — seems almost like old times."

CHRISTIAN SCIENCE CHURCHES

"MORTALS and Immortals" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 14.

The Golden Text was, "As we have borne the image of the earthy, we shall also bear the image of the heavenly" (I Cor. 15:49).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Serve the Lord with gladness: come before his presence with singing. Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture" (Ps. 100:2,3).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind . . . God, the divine Principle of man, and man in God's likeness are inseparable, harmonious, and eternal" (p.336).
