SAFEWAY Homemakers' Guide

GET FULL VALUES..
buy PRODUCE by the pound

Safeway rushes fresh fruits and vegetables to the store, and prices them by weight! No more worry about paying too much for a "small head" of this, or a "dozen" of that! Pound-pricing means full value for you in fine fresh produce!

BACON! What a joy to have plenty of it available! And you know, bacon has many fine uses for lunch and dinner, in addition to time-honored "bacon for breakfast." Here are some suggestions which I hope you'll try:

BACON CORNMEAL MUFFINS
1 1/2 cups enriched 2 tbsps. sugar
flour, sifted 2 eggs, well beaten
3/4 cup yellow 1 cup milk
cornmeal 1/4 cup melted ba-
con fat
1 tbsps. baking powder 6 slices cooked ba-
con, chopped
3/4 tsp. salt

Sift and mix all dry ingredients together. Combine beaten eggs, milk and melted bacon fat, add to dry ingredients with chopped cooked bacon, stirring only enough to dampen flour. Fill greased muffin pans two-thirds full and bake in moderately hot oven (425° F.) about 20 minutes. Makes 8 muffins.

LIMA BEAN & BACON CASSEROLE
2 cups lima beans 1 cup tomatoes
(dry) 1/2 large onion
Salt and pepper 6 slices bacon
Soak lima beans, then simmer until tender. Season with salt, pepper, add tomatoes and finely chopped onion and place in a 2 qt. casserole. Add strips of bacon over the top and bake in moderate oven (350° F.) for 30 minutes. Serves 5 to 6.

Can You Pardon
OREGON
without Schools?

We think of good education for our children as the natural birthright of young Americans.

Thousands of teachers are devoting their lives to this work—and to them goes much of the credit for its success. To local and county school boards—to the state officials—goes their share of credit.

Overland Greyhound Lines are aiding the schools with tax support and transportation service. Good education and good transportation have decisive parts to play in the present, as well as the future of the state.
