is now employed in the West Area. Inspection is also on the list with

Opal Huhs, W. H. Hawkins, J. C. Davidson and H. L. Joyce for new employees.

West Area

Zelma Culver has transferred to the Fiscal Branch. Mrs. Culver has been in the West Area for over a year. Miss LaVelle Markham attended a Young People's Church Convention in Portland last week.

Magazine Area

Ernest Putnam and family are spending a few days in Boise, Idaho.

Medical Department

Betty Rankin is leaving to be with her husband, Pvt. Fred Rankin, who is in the Air Transport Command stationed in New Mexico.

Lillie Masterson is spending a two weeks vacation in Idaho.

T/5 Frank Nutter left last week for McCloud, California. He returned Saturday bringing his wife and son, Gerald, with him. They will live in Ordinance.

S/Sgt. Suddeth, who was formerly stationed at Fort William D. Davis, Panama Canal Zone, has been assigned to the Medical Division here.

Plant Property

Mrs. Angie Amott is spending a week visiting her husband, Ed, who is stationed at Fort Lewis, Wn. Pvt. Amott was formerly stationed at U. O. D.

Marilyn Rawls enjoyed a short visit with her cousin, Jack Mack, who is in the Merchant Marines. He left Monday for San Francisco where he will visit his mother.

Bill Penney who enlisted in the Air Corps Reserve last October has been called to active duty.

John J. Dooley was granted a leave of absence by the Colorado & Southern Railroad where he had been employed for about 20 years, and reported for duty at this depot February 6, 1941, as Chief Transportation Inspector, Construction Quartermaster. On December 16, 1941, he was transferred to the Corps of Engineers as Supervising Auditor, Transportation Division. On April 1, 1942, he was transferred to the Ordnance Department, Rail Transportation Division as Traffic Manager. The C. & S. Railroad has recalled Mr. Dooley to service. He is leaving the 15th and will report for duty in Denver, Colorado, on or before June 30. Mr. Dooley is one of the oldest employees of this depot. He says "During the time I have been here, I have seen this depot transformed from a barren desert into the efficient Ordnance Depot it is today." Mr. Dooley was one of the first civilian employees to report at this depot. We are sorry to see him leave, however, we wish him luck and success upon his return.

Mr. Henning of Seattle and Mr. Buchanan of Walla Walla from the Transcontinental Freight Bureau were in to audit the account of the Transportation office last week.

Box Factory

Sedalia Dexter, who went on a picnic Sunday at Meacham, is now ill at home. Box Factory will not let her go again if she's going to do that way. Just call Viri and Lester Willson "Grandma" and "Grandpa" since they now have a new granddaughter.

Box Factory personnel seem to think that Mr. Johnson must be a pretty good cook as he hasn't lost any weight from eating his own cooking while his wife is away.

The following officers have been assigned new duties: Captain Avery, Warehouse Officer; Captain Halverson, Magazine Area Officer; Captain Miller, Assistant Storage Officer and Storage Plans and Control Officer; Lt. Munch, Labor and Equipment Officer.

Soft Ball

The first half of the U. O. D. Softball League has been played except for one postponed game which leaves a possibility of a tie between the Officers and the Administrative Area teams for third place. The Fire Department consistently wins the "Booby" prize and seems to be equally proficient at horseshoes and ping pong. Our hats are off to the Magazine Area who have a score of five straight wins.

Team	Won	Lost	Pct.
Magazine Area	5	0	1.000
West Area	3	1	.750
Officers	2	2	.500
Administration Area	2	3	.400
Medical Corps	1	4	.200
Fire Department	1	4	.200

The committee is looking forward to some exciting games in the last half of the League games.
