## PROJECT FARM BUREAU TO MEET

The Umatilla Project Farm Bureau will hold the August meeting on Friday, August 11, at the Umatilla Field Station, Supt. H. K. Dean having extended an invitation which was accepted. Several matters will come before the meeting. Members will be selected to represent the bureau at the August 14 meeting at the USO club when boundaries marking the proposed Bangs disease testing program will be set up and work started on the organization, with Assistant County Agent Frank Hackler as chairman.

Mrs. Minnie McFarland of Boardman will be present at the meeting to present some facts and figures in regard to a cooperative hospital which has been successfully conducted in an Oklahoma city for several years past. Recently while acting as a delegate to the state grange convention in southern Oregon, she visited an established cooperative hospital and will have first hand facts on this institution.

The meeting will be preceded by a potluck at 7:00 p. m. on the station lawn where floodlights will be provided.

## PHONE COMPANY WINS HONORS

A certificate of appreciation for loyal and patriotic service was presented to the Pacific Telephone and Telegraph company Monday by Col. S. W. Stanley, signal officer of the 9th Service Command, at ceremonies in the executive offices of the company, according to word received by A. M. Green, telephone manager here.

The certificate, accepted by George H. Jess, vice president, on behalf of all company personnel, extends the appreciation of the chief signal officer, Major General H. C. Ingles, "for

loyal and patriotic services rendered the signal corps of the Army of the United States in the accomplishment of its vital mission during the period of national emergency.

## LICENSE MAN TO BE HERE SOON

A traveling examiner of operators and chauffeurs is scheduled to arrive in Hermiston Wednesday, August 9, and will be on duty at the Legion hall between the hours of 10:00 a. m. and 4:00 p. m. according to a recent announcement released from the Secretary of State's office.

All those wishing permits or licenses to drive cars are asked to get in touch with the examiner during these hours.

## SERVICE GROUP HOLDS MEETING

The regular July meeting of the Women's Service Organization was held Monday evening, July 31, at the U.S.O. club with about 17 members present.

Col. W. J. Hoffmann, executive officer at the Umatilla Ordnance Depot, gave a very interesting and informative address on arm life and the different ranches of the armed forces and their duties. He high-lighted the work at the Umatilla Ordnance Depot and especially praised the women of the town who are doing their best in helping "pass the ammunition".

After the adjournment of the business meeting, the members present worked on rolling bandages and compresses for the Ordnance hospital.

U. O. D. Needs More Help

The Umatilla Ordnance Depot is still in need of all kinds of help, both office help and other workers. At the present time the most urgent need is for stenographers, clerks and clerks-typists.

## CARD OF THANKS

We wish to take this means of expressing our thanks to our neighbors and friends for the kindness and sympathy shown during the recent illness and death of our daughter, Mrs. Helen Roberts.

Mr. and Mrs. Sam R. Elston

## Trailriders To Hold Meeting

The regular monthly meeting of the Trailriders, local riding club, will be held at the U.S.O. club Wednesday evening, August 9, at 7:00 p. m. A picnic pot luck dinner has been planned and plans for a line-camp for the club are to be submitted. All members are urged to be present.

## WAR BONDS in Action

The open jaws of the LSTs pour out Marines, tanks and fighting equipment on the far side of the world at Cape Gloucester, New Britain.

## QUOTA FOR TRUCK TIRES SLASHED

With military demands for oversize truck tires absorbing all but a dribble of production, OPA officials said that quotas for the next month for all civilian truck tires of 8.25 size and larger will be slashed in this region—California, Oregon, Washington, Nevada, Arizona and Northern Idaho—by 67 per cent below July quotas.

Sole hope for alleviation of the critical truck tire situation, Charles Baird, OPA Regional administrator said, is the possibility that military requirements might slacken sufficiently to permit release of additional quotas for other purposes. This hope was termed "so slim as to be virtually non-existent."

## COLUMBIA NEWS

By Mrs. Bob Woodward

Mrs. O. H. Buell this week sold her farm to a Portland buyer and she and her son Clayton will move into town in the near future.

Marilyn Snyder returned Tuesday from a ten day vacation spent in Longview.

Mr. and Mrs. Bob Bennett spent from Thursday last week until Monday in Portland.

Miss Ruth McCulley spent a day here this week from Milton-Freewater where she is employed this summer.

Mrs. O. L. Hodge went to Pullman, Wash., last week to bring her mother, Mrs. A. L. Haynes, who will spend the remainder of the summer here.

Bobby McAhren, who is staying at the H. G. McCulley home, suffered minor injuries and lost several teeth when he was kicked in the face by a horse this week.

The Hodge threshing outfit began working Wednesday and will be at the George Liebe place this week.

Henry Garberding spent last week end in Portland.

Mrs. Myrnie Caldwell has rented a house in town and moved Wednesday. Mr. and Mrs. William Instone and

Mrs. Virgil Hatfield and son Steve were here from Lena Monday evening to visit Mrs. Instone's brother Raymond Woodward, B. M. 2/c. U. S. Navy, who is home on furlough after 25 months in the South Pacific. A family dinner at the Bob Woodward home Monday evening was also attended by Mr. and Mrs. Sherman Wells.

Mrs. Harry Jeppe and two sons spent Saturday at the Charles Epperson home. Tuesday visitors at the Eppersons were Mrs. George Liebe, Mrs. Percy Corman and Mr. and Mrs. Henry Garberding.

Mr. and Mrs. Jack Mathews were in Echo Sunday evening.

Work continued this week to repair damage done by the washout above the Hodge place. Considerable damage was done to ditches and fields on the Joe Udey and Harold Keller places, and fences washed out on the Hodge place where it was reported that water was waist deep in the lower lots where cows were pastured. The washout was caused when some boys who were swimming in the small overflow lake above the Hodge place in order to make the water deeper plugged the culvert that carries off the excess water and forgot to remove it before leaving.

It has been reported here that Miles Barager, former resident here but now of Stanfield, suffered some broken ribs in an accidental fall recently, but was able to return to his work at Ordnance Monday.

## CARD OF THANKS

We wish to take this means of thanking all the people of Hermiston and surrounding area for their kindness, sympathy and many gifts during the recent accident when our son, Earl Miller, was accidentally shot with a rifle. We are glad to report he is getting along nicely and he joins with us in graciously thanking all of you for being so kind. It is thoroughly appreciated.

Mr. and Mrs. Hogan Miller and family.

**GRAY HAIR?**

**Grayvita Vitamins WORK—Restores Color Naturally**

Yes, people the nation over have reported GRAYVITA Vitamins WORK, and that their gray hair is returning to its natural color. GRAYVITA Vitamins contain the same amount of "anti gray hair vitamin" (Plus 450 Int. units) as tested by a leading housekeeping magazine. Of those tested, 65% had return of hair color. GRAYVITA Vitamins are non-fattening, can't harm your "permanent" 30 day supply, \$1.50; 100 days, \$4.00. Please
