

Milk Users of Hermiston:

For the immediate future I am shifting my activities from the Hermiston Dairy to a larger concern — namely Uncle Sam's fighting forces. Although I may be far away from the dairy barns, the delivery truck and the various stores, my thoughts no doubt will be at home many times.

I wish to take this opportunity to thank my customers and friends for the many courtesies shown me during the past several years. It has indeed been a pleasure to serve you and trust that our relations have always been friendly. I intend to come back to Hermiston when the big contest is won.

I am leaving for the duration well assured that my position will be capably filled with competent help. You may be certain that Hermiston Dairy milk is and will continue to be the best possible product on the market.

Thank you again—and we'll be seeing you—

TED HODGE

EASTERN TRIP IS ENJOYED

Mrs. John Jendrzejewski and her sister, Mrs. Mary Wojcik of Portland, recently returned from a three weeks trip east to their old home at Stevens Point, Wisc., where they visited their parents. Their father is 90 years of age and their mother is 88. Both parents are in excellent health and were able to outwalk their daughters. The main method of transportation was by "shanks pony" and the blisters on their ponies were large and many. En route home they visited a brother at Grenville, So. Dakota. That country has enjoyed a bumper

crop but some of it is still in shocks and unthreshed. Heavy rains have greatly damaged the grain. They also visited a sister in Burke, Idaho. Here the visitors saw nothing but mountains and mines. Travel accomodation on the Great Northern going east and the Milwaukee line coming west were excellent.

Project Farm To Meet

A regular meeting of the Project Farm Bureau will be held next Friday, October 13, in the Columbia park hall. A pot luck dinner will precede the business meeting. Members and friends are invited to attend.

STANFIELD HAS GRANGE NEWS

Now that the farmers' busy harvest season is almost over, members of the Stanfield Grange will meet Sunday, October 8, to begin refinishing the interior of the hall with firtex. The ladies will furnish a pot luck dinner at noon. Several new officers were elected

to fill vacancies as follows: Ceres, Florence Attebury; Pomona, Alida Picanso; Assistant Steward, Floyd Daniel; chairman executive committee, Chas. Herrick.

Mrs. Chas. Herrick, lecturer, announced that a harvest supper and program are planned for the next Grange meeting, October 10. The literary program centered around the theme, "School Days" with all members singing that song. Alida Picanso gave an interesting account of the freshmen initiation at Stanfield, and others told of school experiences and pranks. Virginia Picanso very ably told about a vacation trip in the East.

Honoring members whose birthdays were in July, August and September, the Home Economics club served ice cream and cake. Those present were Clara Picanso, Ruth Daniel and Roy Attebury. The club held its September meeting at the home of Mrs. Roscoe Meyers, and Mrs. Roy Duncan will entertain in October.

CENTRAL CHURCH OF CHRIST
 Sunday School at 10:00 with preaching services at 11:00. Christian Endeavor is at 7:00. Adult Bible study is also at 7:00. Prayer meeting begins at 7:30.
