DIAMOND STARS TO THRILL MANY SUNDAY, OCT. 8TH

Pendleton—Second appearance of a big league barnstorming group of American and National diamond stars in Pendleton will take place Sunday, October 8th, at the Round Up park, making their only Oregon appearance of the trip which includes games at Boise, Tacoma and Wenatchee. A similar game was staged here last October with the Nationals edging out the Americans 3 to 2 in a sparkling exhibition tilt witnessed by approximately 6,000 fans from the Inland Empire.

The game will be played at 3:15 p. m. and reservations already are being received at the Pendleton Chamber of Commerce for box seats and grandstand seats. Bleacher seats will not be reserved, and members of the armed forces below commissioned rank will be admitted free to bleacher seats. The game, sponsored by the Pendleton Chamber of Commerce, will be played by two teams selected from the following list of players: American League: Thurman Tucker, Joe Oregno, Don Ross, Eddie Lake, Roy Partee, George Melkovich, Al Unser, Jo Jo White, Hershell Martin, Don Black, Rus Christopher, and Milo Candini. (Since Detroit won the American League pennant this week, some of the players mentioned above will be replaced by other players from the American League.) National League: Jim Tobin, Paul Erickson, Steve Coscarat, Bob Elliott, Steve Messner, Eddie Miller, Tommy Holmes, Butch Nie-

man, Phil Masi and Fritz Ostermueller. Chairman E. C. Olsen, Pendleton Chamber of Commerce baseball chairman, said other names would be added to the two squads when the group starts west at the close of the major league season.

SAFeway FLOUR FESTIVAL

Home Baking Days Are Here Again!

Bake these easily, for October delight

TO MAKE this evening's dinner appetizingly different, why not bake some drop biscuits? Very little time is required!

DROP BISCUITS

Follow your regular 2-cup recipe for baking-powder biscuits, but use enough milk (about a cup) so mixture will drop from teaspoon on an ungreased baking tin. Bake in a hot oven (450° F.) for 12 to 15 minutes. Makes about 16 biscuits.

Even more appetizing drop biscuits result if you add (depending on personal tastes) 1/2 cup of raisins or chopped nuts or diced cheese to the mixture before kneading it. Or, use tomato juice instead of milk for the moistener!

And for dessert, how about

ICED APPLE DUMPLINGS

Using a standard pastry recipe, roll the pastry 1/4-inch thick and cut into 6-inch squares. Wash and peel 6 whole medium-sized cooking apples; remove cores and place one apple in the center of each pastry square. Fill each core-hole with brown sugar, and a dash of cinnamon and nutmeg, and 1/2 tsp. butter or margarine. Dampen edges of pastry, and draw up around apples, pressing securely together. With sharp tined fork, prick dough well all over. Place in well-greased drip pan. Bake in hot oven (450° F.) 15 minutes. Reduce heat to moderate oven (350° F.) and bake 45 minutes or until done, basting every 15 minutes with syrup made by boiling 1 cup granulated sugar, 1/2 cup water, and 2 tbsps. butter or margarine. When baked, frost tops immediately with medium-thick powdered sugar butter icing.
