The Hermiston Bulldogs were handed their first defeat of the season Friday afternoon on the local gridiron when a heavier Pasco eleven took an 18-0 victory. The visitors scored once in the first half and twice in the second, failing to complete any of extra points.

straight down the field to score, but failed to convert. This left the score 6-0. The quarter ended with Pasco kicking off to Hermiston.

The second period was more in Hermiston's favor. They received the ball on their own 15 yard line and marched 35 yards to midfield. Here they were forced to kick. Schoonover booted the ball into the end zone Pasco taking it on the twenty. The visitors made five yards and then kicked. It was a bad kick and went only 15 yards. The locals lost their chance to score when a pass was intercepted. This ended the half.

The second half started the same as the first. The locals kicked and Pasco took the ball on their own 30 yard line. Again they marched down the field 70 yards for another touchdown. Again they failed to convert, making the score 12-0.

Hermiston had hard luck at this stage of the contest. After losing 10 yards, Schoonover tried to kick, with the ball hitting one of his own players and Pasco recovered on the two yard line. They forced the ball over from there for the last score of the game as they again failed to make the conversion. The score was now 18-0.

Hermiston received the ball on the next kickoff and worked the ball down to the opponents' 45 yard line. After losing the ball, Pasco came back to carry the ball to near the goal before losing the ball to the fighting Hermiston Bulldogs.
