**CHRISTIAN SCIENCE CHURCHES**

"DOCTRINE of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 15.

The Golden Text was, "God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that, whether we wake or sleep, we should live together with him." (I Thess. 5:9, 10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Jesus answered them, I told you, and ye believed not: the works that I do in my Father's name, they bear witness of me. I and my Father are one." (John 10:25, 30).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage. His mission was both individual and collective. He did life's work aright not only in justice to himself, but in mercy to mortals,—to show them how to do theirs, but not to do it for them nor relieve them of a single responsibility." (p. 189).

**For County Commissioner**  
**No. 29 on Ballot**

I am a pioneer farmer, living 12 miles NW of Pendleton and 6 miles E of Holdman in the Middle Cold Springs Canyon—in fact, have lived there 57 years.

Voters of Umatilla County have favored me with their confidence as County Commissioner since 1932. These years have been trying ones.

My official acts during these times stand for public approval and I hope I can continue to merit your support.
