SADIE HAWKINS DAY TO BE HELD NOV. 10

(From the Bulldog)

The good news can now be told that Sadie Hawkins Day will reign once more on November 10 when the Seniors sponsor the annual dance. As it is yet nearly two weeks till this fateful day, definite plans have not been completed but a few well known facts can be given.

The primary difference in this day to others is that the girls chase the boys, which affords a lot of fun for everyone, especially the boys! Most colleges observe this unique day and really do it up right with everyone dressing up as "Lil Abner", "Daisy Mae", "Hairless Joe", "Mummy" or "Pappy" Yokum, "Moonbeam McSwine" or some other suitable "Dogpatch" or "Skunk Hollow" character. This practice has been taken up by a large majority of the high schools all over the country, and good old H. U. S. to stay in the swing of things, does likewise.

Oh, yes! You girls should not only make the dates but also "foot the bills" and at the dance, be the one that does the "axin".

Well, kids, there's not much more than can be said about this, just sit tight, as the saying goes, and wait for developments. And don't forget, gals, if you haven't asked "him" yet, grab him the first chance you get and we'll be 'a' seein' you at the "Dogpatch Pavilion" the 10th!

CHRISTIAN SCIENCE CHURCHES

"EVERLASTING Punishment" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist on Sunday, October 29.

The Golden Text was, "Wherefore doth a living man complain, a man for the punishment of his sins? Let us search and try our ways, and turn again to the Lord." (Lam. 3:39, 40).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For my people have committed two evils; they have forsaken me the fountain of living waters, and hewed them out cisterns, broken cisterns, that can hold no water. Thine own wickedness shall correct thee, and thy backslidings shall reprove thee;" (Jer. 2:13, 19).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Esler Eddy: "We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that ceases out evil as unreal. But the belief in sin is punished so long as the belief lasts" (p. 497).

BAND IMPROVES MARCHING FORM

(From The Bulldog)

Did you see that band go by? Yes, that's the Hermiston high band. They play very well even if they don't have enough uniforms, there's a war on you know and you can't get them any more. G. C. Humphreys is always looking out for his band though and he thinks he will be able to have uniforms for everyone in the band by the end of the first semester.

Of course, the band isn't perfect when it comes to marching. There are so many freshmen and new members that have to learn to march the way our band does. That is why you see the band out every Wednesday, this is the day set for marching practice. Keep your eye on that band, with a little practice and a lot of encouragement it will be every bit as good as the one last year, maybe even better.

Wm. R. Meiners

Democratic Nominee

For County Commissioner No. 29 on Ballot

I am a pioneer farmer, living 12 miles NW of Pendleton and 6 miles E of Holdman in the Middle Cold Springs Canyon—in fact, have lived there 57 years.

Voters of Umatilla County have favored me with their confidence as County Commissioner since 1932. These years have been trying ones.

My official acts during these times stand for public approval and I hope I can continue to merit your support.

Vote 314 Yes

SUPPORT THE CONSTITUTIONAL AMENDMENT TO PROVIDE ADEQUATE AND PERMANENT AID TO THE PUBLIC SCHOOLS OF OREGON.

Passage of the Amendment is urged for the following reasons:

1. It is not tied with any other specific proposal for taxation.
2. It spreads the support of schools over more than one source of revenue. Too much of the burden of school support rests on one group—the local property taxpayer.
3. It reduces a property tax for school purposes for the State of Oregon approximately one-half.
4. It provides a permanent source of revenue for the schools of Oregon.
5. It keeps and makes effective the intent of the farmers of the State Constitution to provide for the establishment of a uniform and general system of common schools.

A Vote of YES on the Amendment will Accomplish These Purposes:

1. It will make permanent the school funds now provided by the State.
2. It will provide increasing relief to local property taxpayers.
3. It will provide increased educational opportunity to the boys and girls of Oregon.

Vote 314 Yes

Umatilla Co. Unit of the Ore. State Teachers Assn.

SIGNED—Edythe Daubner, Pendleton, Pres.; Mrs. Fern Zivney, Vice Pres.; Catherine Hathaway, Helix, Secretary.

ENDORSED BY—State of Oregon Parents and Teachers Assn.; Oregon State Teachers Assn.; Leading Educators throughout the State; Majority of School Boards of Oregon.

Re-Elect

R. E.

"Bob"

GOAD

SHERIFF

ONE WHO HAS PROVED HIMSELF FOR UMATILLA COUNTY AND ITS PEOPLE. A MAN THAT HAS DEALT FAIR AND SQUARE WITH EVERYONE.

R. E. Goad has now served Umatilla County as Sheriff for twelve years. One of his election promises was that he would give twenty-four hours service a day for 365 days a year, which promise has been complied with and the office kept open 'till 10 p. m. each night, in order to enable citizens to purchase car licenses, drivers licenses, etc., after working hours.

In the past 12 years the Tax Department of Sheriff Goad's office has collected and turned over to the Treasurer of Umatilla County \$12,897,280.57 in tax money, with no shortages.

In this same length of time, he has handled 3849 prisoners with no trouble, other than a few jail breaks, and every one of these escapees were re-arrested, but some not returned to Pendleton as they were held on small charges and were arrested so far away that the expense was too great for the crime committed.

During the past 12 years thousands of civil suits have been served through his office, these matters being given prompt attention and returns filed promptly, to the satisfaction of all attorneys and parties concerned.

In the past four years we have had three major murder cases in Umatilla county, the Carson case at Freewater, the Soto case near Hermiston where three people were killed, and the Ronald Elder case on McKay Creek near Pendleton.

Our Umatilla County Sheriff was the leading investigating officer in all of these cases and also one of the arresting officers. In each case the parties responsible for all of these crimes were all arrested, brought in to Court and punished according to law.

AGAIN WE SAY, "LET WELL ENOUGH ALONE"

Re-Elect R. E. Goad Sheriff
