## PROHIBITION AND ITS COMPANION EVILS

### 1. Is it fair to the Service Men while they are away?

Approximately 100,000 service men and women from Oregon cannot vote on this question. Is it fair to permit prohibition to be slipped over again in 1944 as was done in 1918? You can protect them by voting 313 X NO!

### 2. If they get away with this, will all Beverages be next?

So far this "Burke Bill" pertains only to beverages over 14% alcohol by volume. But if they slip over this much—the light beverages will be NEXT! You can protect yourself by voting 313 X NO.

### 3. What will this "Joker" do right now?

It will prohibit you from serving any guests your usual hospitality beverages in your club or at home—unless you want to risk severe penalties. Look out for this dangerous "JOKER".

### READ "THE JOKER" IN THE "BURKE BILL" PURPOSE FOR YOURSELF

"Purpose: Requiring all intoxicating liquor containing over 14 per cent of alcohol by volume, including "certified wine, except for sacramental purposes, to be sold exclusively by stores and agencies operated by the Oregon liquor control commission, and making it unlawful for any other person, firm or corporation to sell, offer for sale, or GIVE TO ANY PERSON any such wines or liquors, except for sacramental purposes. Violation of this act is made punishable by fine and/or imprisonment."
