### READ YOUR BIBLE CAMPAIGN BEGINS

Around the world thirty-three Bible passages will be ready daily. A nation-wide poll of more than 100,000 pastors and over 6,000 army and navy chaplains, conducted by the American Bible Society, has selected the 33 daily Bible readings. The first passage will be read on Thanksgiving, November 23, and the daily readings will continue through Christmas.

A supply of book markers with a list of the passages to be read each day are available. Also a supply of V-Mail letter forms to be mailed to the men in the armed services are available from your local pastor.

Everyone is asked to keep faith and establish a spiritual bond with the boys in the armed service by reading the same passage of scripture each day.
