FARM SECURITY MAKES SURVEY

Good dairy cows and sires, barn, milking shed, and milk-house repairs, and similar improvements were listed as needed by many farmers in a recent survey by the Umatilla County Farm Security committee to determine how FSA could contribute most locally, reports Eugene Hampton, County FSA Supervisor, Johns Building, Pendleton, Oregon. It was recommended that services to improve dairy stock, buildings and equipment be made available to all farmers unable to secure necessary credit from usual sources.

Ways in which Farm Security loans and management assistance can help meet these needs were outlined. Details are available at the county F. S. A. office in Pendleton.

UMATILLA P. T. A. HEARS SPEAKER

The Umatilla P. T. A. met at the school December 12. The guest speaker was Mrs. Amy Larkin, assistant F. S. A. supervisor of Pendleton. Mrs. Larkin spoke on "Educational Toys for Children", especially of pre-school age. She presented many new and interesting ways to make toys which were both educational and inexpensive to make. Mrs. Larkin's display of toys she had made included a wooden train, block puzzles, a duck wheelbarrow, a wreck-er, nests of painted cans, wooden spool beads, drums, dolls, a hobby horse, and many other toys. Mrs. Jim Byrnes showed several dolls she had made.

After the exchange of ideas on Christmas gifts that could be home made, the meeting adjourned with refreshments of cookies, jello and coffee served by the mothers of second graders.

The annual installation of officers for Westland, Columbia and Stanfield granges will be held at the Stanfield hall on Wednesday, December 20, beginning at 8:00 o'clock.

WAR BONDS

HERMISTON BOY IS AWARDED

15th AAF in Italy—Pfc. William E. Jones, son of Mr. and Mrs. Alex B. Jones, Hermiston, Ore., is serving as an ordnance armorer with the Bombardment Group, recently awarded a second War Department citation for outstanding performances in the Mediterranean theatre of operations.

He is now authorized to wear an oak leaf cluster on his Distinguished Unit Badge. This second citation was for the daring and successful attack on the Concordia Vega Oil Refinery at Ploesti, Rumania. The first was for an attack on the railyards at Bucharest, Rumania, during which 40 enemy aircraft were destroyed.

Pvt. Coulter Receives Package
Pvt. R. C. Coulter, stationed somewhere in England with the armed forces, writes the Herald that he recently received a Christmas package from home and in the package were eight issues of the paper. He writes that he has read the papers from end to end while convalescing in a hospital. He went through the France and Belgium campaigns and was wounded in the battle of Aachen, Germany. He does not state the extent of his injuries.

Home Extension Unit To Meet

The Home Extension club of Hermiston will meet Tuesday, December 19, at the USO from 10:30 to 3:30 p. m. Chapman, in charge of publicity for the local unit.

NEW MANAGER AT STONE'S

Vern L. Vatland this week assumed the management of Stone's Store in Hermiston, with Everett Hunt, manager for two years, being transferred to Klamath Falls. Mr. Hunt and his family left Monday for McMinnville where Mrs. Hunt and daughter will remain for the time being with Mr. Hunt's parents, while Mr. Hunt continues on to Klamath Falls.

Mr. Vatland, recently released from the armed forces, has had many years of experience in the grocery business. He operated a store in North Dakota for five years and had been with Stone's for five years prior to entering the service. Mrs. Vatland accompanied her husband to Hermiston. Mr. Hunt wishes to take this means of thanking his many friends in Hermiston for the cooperation and friendship shown during his stay in Hermiston.
