

Whereas our friends remained steadfast and true to us in 1944, and whereas we have a deep feeling of appreciation for this expression of loyalty, therefore be it proclaimed throughout this country that we have ordered the New Year, 1945, to be an especially happy and prosperous one for all.

WAR BONDS
in Action

Action on Bougainville. This soldier used a field telephone to keep in touch with his comrades who are clearing out the Japanese. Without these phones, bought with the money you lend your government, our forces would soon be a disorganized mass and easy prey for the Japanese. **By an extra War Bond today.**

CHRISTIAN SCIENCE CHURCHES

"CHRIST JESUS" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 24. The Golden Text was, "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined." (Isa. 9:2)

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth. For the law was given by Moses, but grace and truth came by Jesus Christ." (John 14:17)

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus demonstrated Christ; he proved that Christ is the divine idea of God—the Holy Ghost or Comforter, revealing the divine Principle, Love and leading into all truth." (p. 332).

"WE'D RATHER SAY YES"

She's your personal representative of the telephone company—the girl in the Business Office.

We don't like to tell people that they'll have to wait to get a home telephone. We'd much rather say "yes" to requests for service. That's the way it used to be.

But the needs of war have first claim on available telephone equipment and on telephone manufacturing facilities and manpower. Delays in filling civilian orders just can't be helped.

All of us telephone people sincerely appreciate the co-operative understanding being shown by the many thousands who are waiting their turn to get service.
