NO WAY TO TREAT A FRIEND!

Have a Heart! Please Be Patient With Your Grocer!

And, above all, please--DON'T BLAME STONE'S

—for shortages, point changes, etc. Rationing is a child of necessity, an invention of the devil (Hitler). It's here, and all of us must put up with it... the best way we can. Stone's have a job of distribution to do, and we're doing the very best we can to give the kind of service and foods you want. No grocer is paid for handling rationing stamps. It's a far bigger headache to us than it is to you, so please be patient and let's all share and share alike!
