'FUZZY-WUZZY' TO BE SHOWN

The famous "fuzzy-wuzzy" picture describing the spectacular rescue of a wounded airman in the jungles of the South Seas will be

shown at the Methodist Church Sunday night at 8:00 p. m. when the Sunday Evening club presents the picture, "We Also Receive". It is the reversal of the business of giving to Christian missions, when a wounded American pilot is forced down in the jungle and is saved and cared for by a tribe of aborigines who have been influenced by missionaries and educated from their cannibalistic habits.

Along with this film will be shown "The Book for the World of Tomorrow," a release from the American Bible Society. Free will offering will be taken and the public is cordially invited.
