BULLDOGS WIN RETURN GAME FROM UMATILLA

The Hermiston Bulldogs defeated a scrappy Umatilla five on the local floor Tuesday evening, 39 to 18. The preliminary was a little more emphatic, the Hermiston Bees trouncing a less experienced group from Umatilla 68 to 8, with Rugg leading the scorers with 14 points.

The headliner was a duplication of an earlier win over the Umatilla quintet. In early stages of the game, the visitors made matters quite interesting for Coach Frank Davison's charges. The Bulldogs held a 7-6 advantage at the quarter mark, increasing this to 15 to 10 by half time. The Bulldogs, however, came back with a rush in the serond half to swamp the Tom Chapman-coached lads from Umatilla. The three-quarter score read 27 to 18 and the final whistle saw the lead increased to 39 to 18.

The Umatilla quint will be heard from in B league circles this year. In both losses to Hermiston, they have fought to the final whistle, finally succumbing to a smooth-working taller Hermiston five.

Although the Bulldogs did not display their finesse they showed against Hood River Saturday night, they domineered the contest throughout. Frank Harkenrider and Glen Wilcox again combined their efforts to lead in the scoring department, 11 and 9 points, respectively.

The lineups follow:

Hermiston 39		18 Umatilla
Schoonover 2	F	9 B Barbouletos
Pierson 2	F	1 J Barbouletos
Belt 7	C	1 Kennedy
Wilcox 9	G	Gilham
Harkenrider 11	G	7 Hueson

Substitutes—Hermiston: Matott, Keller 4, Jensen, Connor 4. Umatilla: Cooney, Bray.

GOVERNOR CALLS FOR RUSSIAN AID

Call for all Oregon to join forces with the rest of the nation in aiding those Russians who have been stripped of all their possessions including clothing was issued today by Governor Earl Snell.

His statement which supports the work now under way in all the communities of the state reads as follows:

"The 'Share Your Clothes With The Russians', campaign is an opportunity to aid humanity and the united war effort.

"I think we are appreciative of the prolonged resistance in Russia which permitted others of the allied nations time to arm and equip. I think we comprehend also the resultant privation among Russian civilians.

"Return of 70,000,000 Russian people to devastated homes in liberated territory with only the little clothing they are wearing has added to an already urgent emergency. That the time to act is now is shown in the recent appeal direct from the American Ambassador."

Tap Dancing Is Feature

An interesting feature of the Hood River-Hermiston basketball contest Saturday night was a half-time entertainment presented by nine members of the tap dancing class, with a duet highlighting the event. Members of the duet were Beverly Barker and Mary Hall, with the chorus composed of Laura Dee Peterson, Donna Mohr, Shirley Kelly, Twila Roudebush, Dolores Watkins, Doloris Sturm and Lela McConnell. These features, which are under the directorship of G. C. Humphreys, band director, are being well received by the basketball crowds.

EASTERN STAR INITIATES FOUR

The first Order of the Eastern Star meeting of the year, following installation, was held Wednesday, January 24th, in the Masonic hall, with Rachael Jackson, Worthy Matron, presiding. Sue Wade, Lena Wade, Beth Childs and Fredia Pierce were initiated in the order. Each of the four new members was presented with a Star jewel from a member of her immediate family.

Mrs. Roy Taylor of Ordnance, was presented with a small gift from the Chapter, in appreciation of her constant willingness to help with musical numbers on numerous occasions.

Following the regular meeting a social hour was held, with the following committee in charge: Mrs. Glenn Ripley, chairman, Mrs. Max Piger, Mrs. Ann Sommerer Thompson, and Mrs. Maude Cornell.

Rachael Jackson, Worthy Matron, is planning the evening to especially honor the immediate families of all men and women in the service at the next regular meeting to be held February 14th. All members and visitors from other chapters are cordially invited to attend.

FIRST SNOWFALL RECORDED HERE

Children of this area who were afraid that they would miss their annual snow man were greeted with a white carpet Tuesday morning. Although this snow was gone by noon, a new coat was applied Wednesday morning. The depth was probably slightly less than one inch, but miniature snow men appeared about and snowballs were seen flying here and there.

The report for the week follows:

CAPT. AFFLECK IS TRANSFERRED

Capt. Dean H. Affleck has recently been transferred from Umatilla Ordnance Depot to Ft. Lewis, Washington.

When Capt. Affleck reported to U.O.D. in December, 1943, the Post Hospital had just been completed but not opened. Col. A. S. Buyers, Commanding Officer at U.O.D., has said that it was largely due to Capt. Affleck's industry and organizing ability that the Post Hospital was opened and placed on a full operating basis as soon as it was.

Capt. Affleck was extremely well thought of by all the employees of the Depot who had any contact with him. The entire hospital staff, and for that mater, the entire Depot, is going to miss him, but all those who knew him are certain that he will make a success in his new assignment.
