CHAPLAIN TELLS OF DONATION

When the World Day of Prayer was held several weeks ago at the Baptist church with all the local churches taking part, a collection was taken that evening for Chaplain (Capt.) Ballinger to be used for tracts and religious literature. Mrs. O. O. Felthouse received a letter from Chaplain Ballinger, and he says:

"I don't know just how to thank you church people of Hermiston for the money for use for tracts and religious literature for the men with whom I will be working. Sometimes Chaplains are supplied with funds for this kind of work, but I never have, and have always used by own money to buy the supplies and material I needed and that was not furnished free. I'm indeed grateful for this fund to the people of Hermiston and now will feel free to buy the sort of things I know the men need and use.

"I will try to keep you people informed of how I use the money and some of the responses from the men in the service."

Chaplain (Capt.) M. B. Ballinger's address now is 0522915, Hq. 9th Sv. Command, Ft. Douglas, Utah.
