**'RAINBOW' ISLE IS PROM THEME**

The annual Junior Prom will be held May 11 in the high school auditorium with the music to be furnished by Branstetter's Orchestra from Pendleton.

The decoration committee is now busy planning around the theme, "Rainbow Isle". Flowers, grass huts, rainbows, and an assortment of Islandish decorations will deck the gym for this noted affair.

The committees appointed by Junior Class president, David Pierson, are as follows: Music, Lucy Hollomon and Jack Belt; Decorations, Marian Andrews, chairman, Lloyd Hughes, Shirley Wallace, Barbara Jean Woodard, Tom White, Roy Sires, and Fern McFarlin.

**Junior Class To Present Serious Three-Act Play**

The Junior Class is presenting a serious 3-act play entitled "The Blue Boy" on April 27. This is quite a different type of play than the comedy farce usually undertaken by high school students, however, the class voted to give the dramatic type of play for a change. The famous painting, "The Blue Boy", is the theme around which the play is written.

A young man, Frank Blue, played by Cecil Hunt, is the leading character. The story of the play is enacted in the John Smith home which might be any American home. The whole Smith family is fear ridden. Mona, the mother, is afraid of getting old; John, the father, fears for the welfare of his family; Ronald, the son, is afraid of work; Louise, the elder daughter, fears poverty; Granny fears death; then the Blue Boy comes and changes the whole family into healthy, happy people.

The cast follows: Mona Smith, the mother—Patsy Duncan. Della, the maid—Muriel Kingsley.

Mary Ellen Smith, the 13-year-old daughter—Fern McFarlin.

Ronald Smith, the son—Leo Keller.

John Smith, the father—David Pierson.

Mrs. Ellen Smith, the grandma—Audrey Phelps.

Marvin Davies, the boy next door—Roy Sires.

Louise Smith, the elder daughter—Mildred Lambert.

James Selwyn, Louise's employer—Jack Belt.

Frank Blue, The Blue Boy—Cecil Hunt.

Marian Andrews will be the stage manager and Lucy Hollomon handles sounds and lights.

Rehearsals started last week and the cast is busy trying to get the play ready for presentation.

**CHRISTIAN SCIENCE CHURCHES**

"UNREALITY" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 8.

The Golden Text was, "Judge not according to the appearance, but judge righteous judgment." (John 7:24).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "If thou return to the Almighty, thou shalt be built up, thou shalt put away iniquity far from thy tabernacles. For then shalt thou have thy delight in the Almighty, and shalt lift up thy face unto God." (Job 22:23, 26).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Individuals are consistent who, watching and praying, can 'run, and not be weary; ... walk, and not faint,' who gain good rapidly and hold their position, or attain slowly and yield not to discouragement. . . . When we wait patiently on God and seek Truth righteously, He directs our path." (p. 254).
