R. MARBLE GETS MORE TRAINING

Captain Ralph W. Marble, son of Dr. and Mrs. A. E. Marble of Hermiston, is now attending the 4th Operational Training Unit of fighter transition school at the Air Transport Command's Ferrying Division at Greenwood, Mississippi. At the 4th OTU, the only school of its kind in the United States, Captain Marble will learn to fly four of the fastest fighter planes in the air. Upon successful completion of the rugged 30 day course, he will return to his home station at Romulus, Michigan, to ferry such planes as the P-47, P-63 and P-51 to all parts of the country.

Captain Marble, recently returned from the European theatre, wears the DFC with an Oak Leaf Cluster, Air Medal with 13 Clusters, and ETO Ribbon with two Battle Stars. He completed 75 combat missions and one over-water delivery.

Before entering service in 1940, Captain Marble attended the Hermiston high school, where he won letters in football and basketball.

CENTRAL CHURCH OF CHRIST

James Bartholomew, Pastor
Mother and Father, what do you want your children to be when they reach maturity? No doubt you will answer, "We want them to be worthy citizens of strong moral character, able to provide well for themselves and to contribute to the welfare of the nation." But children do not grow up into such worthy personalities without proper guidance.

Constant Christian teaching is indispensable in the life of any child who is expected to reach a worthy end in life. Because we people of the Central Church of Christ sincerely believe this foregoing statement, we have labored to establish a good Bible school for every age and need. It meets on Sunday morning at 10. We urge you and your children to attend. Morning worship starts at 11. Christian Endeavor meets at 7 p. m. and evening evangelistic service begins at 8:00.

4-H Garden Club Organized
The Westland 4-H Garden club was organized at the home of Mrs. J. D. Corliss in Westland Thursday, April 5, with 12 members. The following officers were elected: George Steward, president; Mary White, vice president; Marjorie Burr, secretary; Duke Belinger, treasurer; Vern Steward, yell leader, and Ray Zeek, sergeant-at-arms. The club will meet at the Corliss home each Thursday until school is out and any youngsters who will be 9 by next September and are interested, are welcome at the next meeting.

UMATILLA CLASS PRESENTS PLAY

"Two Days To Mary", a hilarious comedy in three acts, will be presented by the Junior class of Umatilla high school Friday, April 20, at 8:00 p. m. in the Umatilla gym. The plot of the play is as follows:
According to his father's will, James Dare, a happy-go-lucky man of the world, is to come into possession of a huge fortune on his twenty-eighth birthday, provided he is married by that time. By some chance this clause in the will is overlooked and is discovered just two days before that event. His lawyer agrees to fix matters up for him and he certainly is some fixer. Comical situations follow fast and furiously.

The characters are as follows: Simon P. Chase, Don Kennedy; James J. Dare, Bill Barboletos; Ruford Sawyer, Jim Bensen; Emily Jane Pink, Ellamae Ewing; Sadie L. Boise, Joan Byrnes; Imogene McShane, Edethanne Spencer; Walter M. Blair, Jay Huson.
Mrs. Alice Hansen is the Junior class advisor.

Former Ranger Now Overseas

Pvt. Nick Aquilard Jr., of the Bronx, New York City, but well known here, recently arrived in Forces. Pvt. Aquilard was stationed in England with the Strategic Air Force as a ranger at the Boardman Bomb Range prior to going overseas. He is now receiving a brief orientation course in England designed to help him adjust himself to life in a combat zone. Upon completion he will transfer to his permanent station from which America's fighting planes cover our advance into Germany.

STANFIELD CLUBS GET TOGETHER

Sunday, April 8th, three of the Stanfield 4-H clubs held a get-together at the Hermiston U.S.O. At this meeting a new Rural Electrification 4-H club was organized under the leadership of R. L. Woolley, with Newell Anson as president.

Short talks were given by H. E. Hackler, assistant county agent, Mr. Woolley, Geo. McCourt and W. R. Barber, leaders of local 4-H clubs.

Enthusiastic 4-H'ers enjoyed group singing, games and ice cream, and from the pep shown there will be some real gardening and dairying on the projects this year.

WICKLANDERS TO BE AT WESTLAND

Present at the regular meeting of the Westland Grange Friday, April 13, will be Mr. and Mrs. Chas. Wicklander. The former is state grange leader and Mrs. Wicklander is state juvenile matron. Both will appear on the program to discuss different phases of their work.

Other business of the evening will include initiation in the 3rd and 4th degrees and an entertainment program sponsored by the ladies auxiliary, with Mrs. Alma Alstott as leader.

Mrs. Wyoma Rosenbaum, secretary in the department of medical supply, is away on annual leave, and will join her husband, Pvt. Harold Rosenbaum at Camp Walters, Texas.

Did you notice how refreshed Mrs. Elsie Ayers (dietician in the Hospital) is looking? She was away on leave and lifted not a pot or pan nor broiled a steak while vacationing. Poor friend husband, but one must get away from the usual routine in order to enjoy one's annual. So say all.

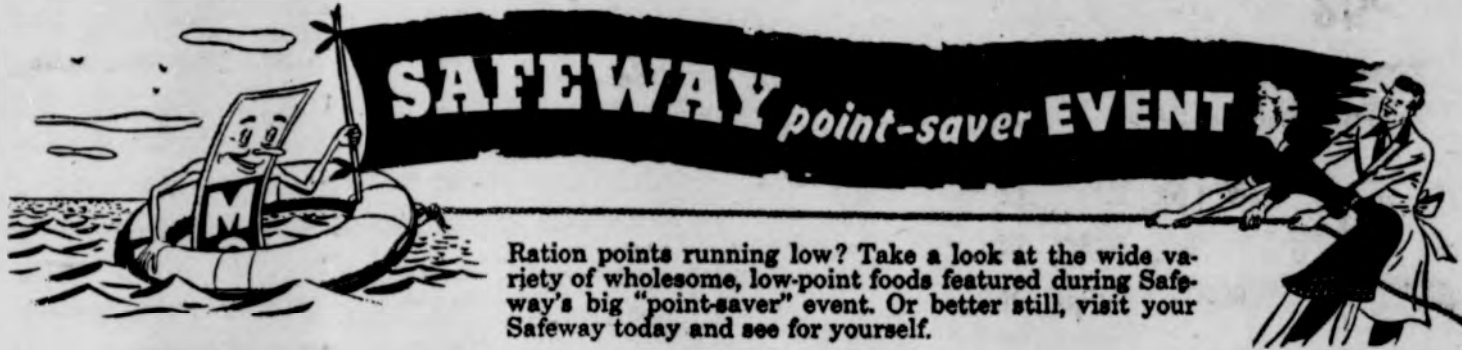

Mrs. Elizabeth Cloud enjoyed her birthday all of the past week (the Indians prolong a good thing as long as possible) How old is she? That is an Indian secret, but when the leaves were as big as squirrels' ears, she was brought to the teepee by the Thunder Bird (not a stork, they bring pale' face babies) NUF SED.
Rail Transportation—

E. Swauger and Esco McNabb returned to their respective positions of brakeman and conductor. Miss Lois Harris returned from a vacation at Vale, Ore.

Miss Peggy Williams is visiting friends and relatives at Prineville, Ore., over the week end.

Have you noticed: August Smith seems to find time to help the fork lift operators; Curtis Dyer has a pleasant smile for all; Roy Ekkeberry looks lonesome these last few weeks; "Old Sour Puss" Harry Rhodes doesn't seem to see any of the gals; We had to put Tommy Blair on night shift—he sees too "well" days; And we put "Pete" McNabb on nights so he could "kinda" keep an eye on the boys; Berry spends some of his time helping others.

A thought for the day—"There is no limit to the good a man can do, if he doesn't care who gets the credit."
