In an editorial of "The Christian-Evangelist" the editor says, "A more important observance for the churches than VE day is that called for by the official heads of 34 national church bodies as, 'The observance of a special Day of Prayer for the success of the United Nations Conference in San Francisco.'"

The third world war may be made or avoided in this coming conference, and the Christian Church will observe the occasion in prayer and sermon next Sunday morning. This is our sermon topic for the 11 o'clock worship period: "Making the Gospel Effective Throughout the World". This is our schedule for Sunday:

Bible School at 10:00 a. m.
