**BUYERS HAVE SILVER WEDDING**

The officers of Umatilla Ordnance Depot helped Colonel and Mrs. A. S. Buyers celebrate their twenty-fifth wedding anniversary Monday evening at the Officers' Club. A pair of sterling hurricane lamps and a sterling compote were presented on behalf of the officers by Capt. A. E. Walker.

Mrs. Buyers commented on the act that history does repeat itself. Twenty-five years ago Col. Buyers, then a Captain of Coast Artillery, took unto himself a bride and two days later proceeded to leave her to report to a new station. This week, two days after celebrating a silver wedding Col. Buyers left for Washington on business. This time he will be back in a few days.

Mrs. Jendrzejewski is a graduate of St. Teresa's College, Edmonton, Alberta, Canada. Capt. Jendrzejewski, who enlisted in December, 1941, recently returned from overseas duty in India with the A.T.C. He is a graduate of Hermiston high school and later attended Oregon State college. The couple is visiting in Hermiston with his parents.

**WAR DEPENDENTS ARE INSTRUCTED**

Hurwitz of the San Francisco office of the Field Investigation Branch of the War Department Office of Dependency Benefits will be in Pendleton April 28 to interview relatives of servicemen who are now receiving family allowances. This announcement was made today by Brig. Gen. H. N. Gilbert, USA, Director of the ODB.

The ODB, in Newark, New Jersey, is that activity of the Office of the Fiscal Director, Headquarters, Army Service Forces, which administers family allowances and Class E allotments-of-pay on behalf of more than 14 1/2 million dependents of Army men and women. To date, more than 146 million checks, totaling over eight and a half billion dollars have been mailed to soldiers' dependents.

Major Hundley and Lieutenant Hurwitz will establish temporary headquarters in Pendleton in the Federal Court room, U. S. Post Office.

Upon completion of a 26-week course, he will be fully trained to take his place as a member of a highly skilled bomber crew of the Army Air Forces.

**STANFIELD MEN PLANT ACREAGE**

W. E. Burnett and L. M. Gosler, new farmers in the Stanfield district, have just finished transplanting 7 1/2 acres of Certified Marshall strawberry plants, which will be grown as nursery stock for Kelly, Farquar Co., of Salem, Oregon, according to Frank E. Hackler, assistant county agent.

The same growers have seeded 32 acres of Certified Ladino clover seed which will be grown for certified seed.

**COUNTY ENTERS BOND CONTEST**

Umatilla county will contest with nine other Oregon counties, each with an E bond quota of more than \$1,000,000 for the right to launch a ship. The winning county will be the first one to make its E bond quota, according to county chairman Guy Johnson, and will be guests of the Kaiser company at a special complimentary luncheon following the ceremony.

Counties which will take part in the contest and their E bond quotas are:

Clackamas \$1,326,000; Clatsop \$1,102,000; Jackson \$1,067,000; Klamath \$1,538,000; Lane \$2,100,000; Linn \$1,163,000; Marion \$2,270,000; Multnomah \$30,660,000; Umatilla \$1,208,000; Washington \$1,122,000.

**FARMERS URGED TO FILE '45 PLANS**

The closing date for filing 1945 farm plans with the county AAA Office is May 1, according to an announcement made today by Jens Terjeson, chairman of the county A&A committee. "Although it is almost certain that Umatilla county's quota of 1945 AAA practice funds will not be enough to pay for all of the conservation work that local farmers want to do, the county committee wants to be sure that all farmers have equal opportunity to file," the chairman said.

The county allocation of funds for 1945 practice payments under the agricultural conservation program is \$170,000. This compares with estimated total payments of \$239,000 earned by county farm operators in 1944, and indications from 1945 farm plans that operators intend to perform \$200,000 worth of practices this year.

A very enjoyable evening was spent at the Townsend social meeting Tuesday, April 10. Mrs. Michel, chairman of the program committee, read a comedy letter which she has had in her possession for many years. Mrs. Petacord gave a reading.

Mr. and Mrs. Browning and Mr. and Mrs. Ford, and thanks goes to the committee for their fine sandwiches. While the dishes were being washed the

orchestra played while the members enjoyed more dancing.
