**In the Words of Seers
and Prophets**

"For they have sown the wind,
and they shall reap the whirl-
wind." Hosea 8:7.

"And they shall beat their
swords into plowshares, and their
spears into pruning hooks." Mi-
car 4:3.

"They reel to and fro, and stag-
ger like drunken men, and are at
their wits end." Psalm 107:27.

"But unto you that fear my
name shall the Sun of Righteous-
ness arise with healing in its
wings." Malachi 2:2.

But—"Between the acting of a
dreadful thing, and the first mo-
tion, all the interim is like a phan-
tasma, or a hideous dream." Shakes-
peare.

And it is now fitting that we
add Alfred Tennyson's famous
lines: "Till the war drums throbb-
ed no longer, and the battle flags
are furled, In the parliament of
nations, the federation of the
world."

President Truman asks that
there be no celebration when V-E
day occurs, but rather that there
be a national understanding of the
importance of the job that re-
mains. He does not suggest that
the day is imminent, though it may
occur before this is printed. But
if and when it happens we should
rededicate ourselves to the unfin-
ished task.

There will be great satisfaction
among us when the trouble in
Europe is over and three million
of our boys are out of that fighting
zone, and we will feel like cele-
brating, but the sober, second
thought is that many of our gallant
sons are still in another zone with
another big job to do, and the boys
in Europe will be transported to
help them.

Spring is bounding forth in all
its greatness, and the next six
months will provide great harvests
which will help restore our
strength of resources to help carry
on in a greatly depleted world.
Seldom in all history has the bur-
den been placed so heavily on
mother earth, sunshine and rain,
and also human effort to feed and
clothe the unfortunate millions of
the world.

**CENTRAL CHURCH OF CHRIST
(or Christian Church)**

James H. Bartholomew, Pastor
Europe lies in the depths of ruin
today. What has happened there
is ample proof of what happens
when people and nations depart
from the Christian way of life. To-
day America stands at the cross
roads of destiny. One road leads
away from Christianity and to-
ward the kind of ruin that has
happened to Europe. The other
road leads toward Christianity and
also toward new advancement in
the betterment of mankind. Which
road would you care to travel?
Come to church and help us swing
America toward the Christian way
of life. Here is our schedule:
