They raised the Flag again on Corregidor...

Let's raise the money in the MIGHTY SEVENTH

OUR FLAG flies once again over Corregidor. The cost was great in blood and pain, but our fighting men did not turn back. And on Iwo Jima, four thousand men—more and more—died to take the long step forward to Victory. Twenty thousand others suffered wounds. Yes, we're on the way to Tokyo!

War Loan is the biggest in America's history because seven billion dollars must be raised from individuals alone. That means you must buy more and bigger War Bonds. This is really two great loans in one; for this time last year you had been called upon twice to subscribe in War Loans. As our fighting men raise Old Glory all over the world—let's raise the money back home!
