**Franks Do Well At La Grande**

(From The Bulldog)

Two Franks brought fame to Hermiston High at the Eastern Oregon Track and Field Meet at La Grande when the two qualified for the state track meet at Corvallis. The two boys both were able to attend the meet. It was one of the big upsets of the season when Frank Myrick, Hermiston javelin man, carried away that event and his throw of 153 feet, 6 inches was good enough to win first place. Myrick, who is only a sophomore, was probably more surprised than anyone else. Harkenrider's second place in the 880 came as no surprise to local track fans as Frank's reputation had already been established. The track team as a whole pulled a surprise when they placed fourth in Eastern Oregon at a meet where about 20 schools were entered. Other points came in third and fourth places but no one else managed to qualify for the state meet. Winner of the meet was La Grande, followed by Pendleton, Mac Hi and Hermiston. Other boys who gained points at the meet were Rugg, Rowell, Schoonover and Follett.

**Prom Is Climax Of Social Year**

The last social event of the school year was held Friday evening, May 9, in the high school gym when the Junior Class sponsored the annual Junior Prom. The theme for this year's prom was "Rainbow Island" and the decorations were really something to see. The decoration committee started out under the severe handicap of being unable to purchase enough crepe paper for decoration purposes, so their ingenious minds set to work and, with the help of Mr. G. C. Humphreys, they utilized a plan of using paper plates dipped in the different colors of the rainbow. The stage was brought to attention by a large rainbow draped over it and brightly colored paper plates dangled from the entire ceiling. Native huts, palm trees, tropical birds, animals, and flowers added to the beauty and authenticity of the lovely scene. A large crowd was present as 250 invitations were sent out and everyone enjoyed dancing to the swingy music of Branstetter's Orchestra from Pendleton. Punch and cookies were served by four cute junior high girls, Florence Andrews, Janice Daugherty, Lenaire Norton and Leota Carr.

**MRS. KNIGHT IS BOARD MEMBER**

Mrs. Duff Knight of Hermiston was elected as a new member to the county executive board of the Umatilla County Home Economics Extension program at the county program planning meeting held in Pendleton Monday, May 7. At the same time three members were re-elected to the board for another term. The re-elected members were Mrs. C. E. Fisk of Echo, Mrs. L. A. McClintock of Pendleton and Mrs. Ben Gill of Pilot Rock. Mrs. Earl Kirkpatrick left the board after completing the allowable term of office to her. Other members of the group are Mrs. Milton Carter of Rieth, Mrs. Elmer Chastain of Freewater and Mrs. Fred Johnson of Weston. The election was made by representatives of each unit. It is the work of the county committee to consult with the home demonstration agent in the county in planning and carrying out the planned program of the extension service in cooperation with Oregon State College and specialist in the field of home economics. During the summer the home demonstration program in the county will stress food preservation—canning, drying and freezing, and planning the family food supply. Demonstrations showing proper preservation methods may be had for groups in the county by contacting the home demonstration office.
