**ARIES** (March 21-April 19). Another reason not to judge people is that they only show you what they want you to see. You're so perceptive that you usually see much more than they would like, yet less than everything.

**TAURUS** (April 20-May 20). There is no reason to pretend to have more than you really do. You're in a competitive position just as you are. You are wise to accept your limitations, and you may even highlight them.

**GEMINI** (May 21-June 21). That challenging situation you face has a different solution from the perspective of kindness than it does from the perspective of loyalty or aspiration. Prioritizing your values will help you find the most fitting solution.

**CANCER** (June 22-July 22). The deliciousness of delight comes to you when something good happens this afternoon. What's even more delightful is how you'll share with a fellow water sign (Scorpio or Pisces).

**LEO** (July 23-Aug. 22). You'll play many roles. You know better than to waste all of your energy trying to make the small roles bigger than they should be. You may have a small part in one scene, but you're the top-billed star in another.

**VIRGO** (Aug. 23-Sept. 22). Quick fixes aren't so quick if they cause you to be indebted to someone in the far-off future. You prefer to handle issues in real time and do it by yourself if you can.

**LIBRA** (Sept. 23-Oct. 23). You'll be playing a strategic game and much will boil down to your level of confidence. Your position is only as good or as bad as you think it is. The same is true of their position.

**SCORPIO** (Oct. 24-Nov. 21). Give yourself the breaks you need when you need them. The treadmill of daily life is like an actual treadmill in that when you jump off, your body needs time to adjust to the unmoving floor.

**SAGITTARIUS** (Nov. 22-Dec. 21). You are not only loyal to the group you were raised with; you are also loyal to the larger community. Those two loyalties may clash now. Let love guide you.

**CAPRICORN** (Dec. 22-Jan. 19). You have the courage to bear what looks to be a heavy responsibility, and that bravery inspires you to volunteer before the others. You'll learn that it's not as hefty as first appearances suggested.

**PISCES** (Feb. 19-March 20). The afternoon features new input. You'll likely have an immediate and visceral reaction to the events, and you'll probably be right in your assessment. Still, it will help you to listen to other opinions.

**TODAY'S BIRTHDAY** (March 31). This is your year to lighten up, have more fun and stop taking things more seriously than you need to. April shows you even more flexible, curious and outgoing than usual. New friends in May lead to a lucrative career direction. You'll make a presentation in June. Coordinate an event with many moving parts in July. Gemini and Cancer people adore you. Your lucky numbers are: 5, 20, 44, 16 and 50.
